# AUGMENTATIVE ALTERNATIVE COMMUNICATION (AAC) CLINIC

Scan to Register!

<https://bit.ly/3LegEJT>

## WHO

The SC Assistive Technology Program (SCATP) is hosting an AAC-focused training day for individuals with communication differences, their family members, and clinicians working with AAC.

## WHEN

October 1, 2024

- Training 9:30 a.m.-4 p.m.
- Attendees will rotate between AAC vendors for small group trainings and demonstrations.

## WHERE

SC Assistive Technology Program  
Center for Disability Resources  
8301 Farrow Road Columbia, SC 29203

## WHAT

Participants will:

- Define different types of AAC
- Compare different styles of communication device hardware and software options to help an individual communicate
- Identify the best possible AAC options for a future trial and/or use for an individual depending on their needs

If you need an accommodation to participate, please contact us at least one week prior to the scheduled training.
