Each year, the School of Medicine presents a number of prestigious awards to our alumni and friends who have demonstrated outstanding achievements or service to the school.
We are now accepting nominations for our seven awards that will be presented on
Friday, October 4th at the 2019 Alumni and Dean’s Awards Dinner.

Click Here to Nominate

The deadline to submit nominations is Friday, June 14, 2019.

**UofSC School of Medicine Distinguished Physician Alumni Award**
Presented annually to an alumnus or alumna who has exemplified professionalism, commitment, and dedication to the medical profession.

**UofSC School of Medicine Distinguished Young Alumni Award**
Presented annually to an alumnus or alumna who has exhibited excellence and leadership in his or her chosen field. (Graduated within last 10 years)

**UofSC School of Medicine Distinguished Humanitarian Alumni Award**
Presented annually to an alumnus or alumna for distinguished human service contributions at the local, state, or national level with an emphasis on health and welfare.

**UofSC School of Medicine Distinguished Doctorate Alumni Award**
Presented annually to an alumnus or alumna for significant accomplishments in research and teaching.

**UofSC School of Medicine Distinguished Master's in Genetic Counseling Alumni Award**
Presented annually to an alumnus or alumna for significant leadership and accomplishments as a genetic counselor.

**UofSC School of Medicine Distinguished Master's Alumni Award**
Presented annually to an alumnus or alumna for significant accomplishments in his or her chosen field.

**UofSC School of Medicine Alumni Association Honorary Life Membership Award**
Presented annually to a non-SOM graduate who supports and serves the UofSC School of Medicine.

Another successful #Give4Garnet day is in the books for both the School of Medicine - Columbia and University as a whole! This year, we selected FoodShare South Carolina as our highlighted beneficiary, and focused solely on giving participation, setting a goal of 144 donors. In 18 hours and 1 minute on Wednesday, April 10th, we raised $31,641 for multiple School of Medicine funds from 146 donors, unlocking a generous challenge match of $9,000 from AARP. More than $13,000 will be given to FoodShare South Carolina as a result of our compassionate alumni family and friends coming together on #Give4Garnet, and supporting one of our own UofSC SOM programs that continues to impact the Columbia community in a meaningful way. We are #Grateful4Garnet because of you!
UofSC SOM Alumni

You are invited to support the Class of 2019 by attending their commencement ceremony

Friday, May 10 @ 12pm
Koger Center

CLICK HERE TO RSVP

To ensure reserved seating, please RSVP by Wednesday, May 1.
