

# APPOINTMENT AND PROMOTION

for Non-Tenure Track faculty, Clinical Departments

The Appointment and Promotion Committee implements appointment and promotion procedures and criteria for non-tenure-track clinical faculty, reviews candidates for appointment to new faculty positions and reviews current faculty for consideration of promotion in rank.

The committee consists of 1 representative from each department including BMS (10-12) elected and appointed by the dean. The members shall be elected for 3 years, and approximately half of the members will roll off every year. The committee will meet monthly.
