## Call for Abstracts: 2024 School of Medicine Greenville Research Symposium

The University of South Carolina School of Medicine Greenville is pleased to announce the call for abstracts for the 2024 Student Research Symposium Research Symposium, scheduled to be held on January 10<sup>th</sup>, 2025 at Embassy Suites Verdae. This symposium provides a platform for students and faculty to showcase their research, engage with peers, and foster collaborations across various fields of medicine.

### Submission Guidelines:

**Eligibility:** Submissions are open to School of Medicine Greenville medical students and faculty members.

**Topics:** We welcome abstracts on all topics related to medical research, including but not limited to:

- Basic Science Research
- Clinical Research
- Translational Research
- Lifestyle Medicine
- Public Health and Epidemiology
- Medical Education Research
- Healthcare Policy/Health Services Research

### Structured Abstract Format:

- Title
- Authors: Presenting students name first
- Affiliation: Include the department and institution.
- Background: Briefly describe the research question or problem.
- Methods: Outline the research design, methodology, and statistical analysis.
- Results: Summarize the key findings.
- Conclusion: Highlight the significance and implications of the research.

### **Submission Process:**

- Abstracts should be submitted via the online [SUBMISSION PORTAL](#) by 11:59 pm on **November 1<sup>st</sup>, 2024**.
- The maximum word count is 300 words, excluding title, authors and affiliation.
- Figures and tables may be included within the word limit. (Limit to 1 of each in the abstract)
- Notification of Acceptance: **November 15<sup>th</sup>, 2024**

### **Presentation Formats:**

- Poster Presentations: All accepted abstracts will be presented in a poster session. Posters will be due by 11:59 pm on December 1<sup>st</sup>, 2024.
- Oral Presentations: Selected abstracts will be invited for oral presentations. Presentation slides will be due by January 6<sup>th</sup>, 2025.

### **Contact Information:**

For any queries regarding the abstract submission process, please contact Victoria Costello at [costelv@greenvillemed.sc.edu](mailto:costelv@greenvillemed.sc.edu) or (864)766-2084

We look forward to your participation and to celebrating the innovative research conducted within our School of Medicine Greenville community.

**Submit your abstract today and contribute to the advancement of medical science!**

**SOMG Research Symposium Abstract Rubric**

Rating 1-5	<b>Purpose/Background</b>
	<ul style="list-style-type: none"> <li>• Are the preliminary data/literature references provided adequate to justify the project?</li> <li>• Is there current attention to the topic? Is it timely and applicable?</li> <li>• Is the background is strong, clear, and thorough, yet concise in providing an overview of the problem, and demonstrates a thorough review?</li> </ul>
	<b>Methods</b>
	<ul style="list-style-type: none"> <li>• Are the methods/intervention clearly stated and appropriate for the project?</li> <li>• Does the design of the project appropriately answer the research question?</li> </ul>
	<b>Results</b>
	<ul style="list-style-type: none"> <li>• Are the results clear and related to the study purpose?</li> <li>• Do the results follow the stated methods?</li> </ul>
	<b>Discussion/Conclusion</b>
	<ul style="list-style-type: none"> <li>• Is the conclusion reflected and supported by the study results and design?</li> <li>• Is the conclusion relevant to the field and contributes to the field?</li> </ul>
	<b>Quality</b>
	<ul style="list-style-type: none"> <li>• Is the submission grammatically correct, free of typos, and coherent?</li> <li>• Are the ideas in the abstract clearly communicated?</li> <li>• Is it the appropriate level of complexity for the audience?</li> </ul>
