

Paul D. Bliese

Professor
Department of Management
Darla Moore School of Business
University of South Carolina
1014 Greene Street
Columbia, SC 29208

Voice: 803-777-5957

Email: paul.bliese@moore.sc.edu

Education

Texas Tech University, Ph.D., 1991
Major: Applied Social Psychology, Department of Psychology
Minor: Organizational Behavior, College of Business Administration

Texas Lutheran University, B.A., 1986

Professional Experience: Academic Journals

Editor (2017 – Present)

Organizational Research Methods

Associate Editor (2010 – 2016)

Journal of Applied Psychology

Professional Experience: Employment

Professor, Department of Management (2018 – present)

University of South Carolina, Columbia, SC.

Associate Professor, Department of Management (2014-2017)

University of South Carolina, Columbia, SC.

Director, Center for Military Psychiatry and Neuroscience (2009 - 2014)

Walter Reed Army Institute of Research, Silver Spring, MD.

- Provide strategic oversight for basic and applied research on traumatic brain injury, sleep, and operational stress
- Oversee an annual budget of \$12 to \$15M and a diverse staff of 140 scientific and administrative personnel
- Communicate policy implications of research to senior military leaders

Chief, Department of Military Psychiatry (2007-2009)

Division of Neuropsychiatry, Walter Reed Army Institute of Research, Silver Spring, MD.

- Developed and oversaw research projects; executed a \$2 to \$3M budget
- Presented research results and policy implications to senior leaders
- Managed department staff and mentored junior researchers

Commander, United States Army Medical Research Unit - Europe (2003-2007)

- Responsible for the scientific, administrative, and budgetary execution of the Walter Reed Army Institute of Research's European medical research program

Chief, Statistical Modeling Branch (2001-2003)

Division of Neuropsychiatry, Walter Reed Army Institute of Research, Silver Spring, MD.

- Internal Division-level consultant for statistical analysis and modeling
- External DOD consultant for occupational stress measurement and analysis

Chief, Department of Operational Stress Research (1999-2001)

Division of Neuropsychiatry, Walter Reed Army Institute of Research, Silver Spring, MD.

- Developed and implemented research program; secured and managed funding, oversaw research projects and presented research results to senior Army leaders
- Managed department staff and mentored junior researchers

Principal Investigating Research Psychologist (1992-1999)

Department of Military Psychiatry, Walter Reed Army Institute of Research. Silver Spring, MD.

- Designed, conducted and analyzed large-scale survey-based research projects assessing the health status and morale of US Army soldiers

Behavioral Science Researcher (1991-1992)

Office of Research and Evaluation, Bureau of Labor Statistics, Washington, DC.

- Conducted research on potential social and cognitive biases in reports of economic statistics

Graduate Faculty Instructor (Spring 1991)

Department of Psychology, Texas Tech University, Lubbock, TX.

- Taught graduate level Applied Systems course and directed applied systems analysis project

Organizational Change Program Researcher (1988-1991)

Texas Center for Productivity and Quality of Work Life, Texas Tech University, Lubbock, TX.

- Participated in all phases of organizational re-design for Fortune 500 companies

Professional Experience: Consultant

PDRI (2017-present)

Army Research Institute Grant

- Research design input and development
- Analytic consultation and oversight

Techwerks (2014 - present)

Walter Reed Army Institute of Research Support

- Provide statistical research support
- Write, edit, and review research publications
- Consult on design of research studies

Senior Research Scientist (1998 – Present)

Halverson Group, Oak Park, IL

- Conduct advanced analyses of complex data
- Present research findings to clients

Co-Chair: Psychological Health and Resilience Program (2009 – 2014)

US Army Medical Research and Materiel Command, Frederick MD.

- Annually establish research direction and recommend funding decisions for the Army's \$20-25M intramural research program

Academic Affiliations

2012-2014: Adjunct Faculty, Department of Psychology and Department of Psychiatry
Uniformed Services University of the Health Sciences
Bethesda, MD

1998-2003: Adjunct Faculty, Department of Psychology,
University of Maryland, College Park, MD.

- Taught upper-level graduate seminar on multilevel analyses.
- Served on dissertation committees.

Grants and External Funding

\$1.75M. Co-PI with Yair Bar-Haim: Threat Monitoring and Behavioral Health throughout the Deployment and Career Cycles: A Translational Study. Medical Research and Materiel Command. (Funded 2018)

\$1.5M. Samuel Bacharach: Patterns of Suicide-Related Behavior and Cognition in Veterans' Discharge-to-Work Transition: Risk Factors Associated with Alcohol Use/Misuse and Depression. Medical Research and Materiel Command. (Funded 2018)

\$5K. The impact of a value affirmation intervention on affective reactions. Moore School Research Grant Program. Darla Moore School of Business (Faculty co-sponsor: Fall 2017)

\$2.25K. Growth, Change and Stabilization of Trust. Moore School Research Grant Program. Darla Moore School of Business (Faculty co-sponsor: Spring 2017)

\$3K. The impact of high performer humility on teammate effort and performance. Riegel and Emory HR Center. Darla Moore School of Business (Faculty co-sponsor: Fall 2016)

\$5K. Temporal commitment as an unfolding process in the relationship between employees and firms. Riegel and Emory HR Center. Darla Moore School of Business (Faculty co-sponsor: Fall 2016)

\$20K. Secured External Funding for Capstone HR Analytics Consulting (Fall 2015)

\$45K. Secured External Funding for Capstone HR Analytics Consulting (Fall 2016)

\$25K. Secured External Funding for HR Analytics Class Project (Spring 2017)

Honors and Awards

Professor of the Year (2018). Presented by the Doctoral Student Association, Darla Moore School of Business.

John C. Flanagan Lifetime Achievement Award (2014). American Psychological Association, Division 19, Society for Military Psychology.

William A. Owens Scholarly Achievement Award (2013). Society for Industrial and Organizational Psychology. Chen, G., Ployhart, R. E., Thomas, H. C., Anderson, N. & Bliese, P. D. (2011). The power of momentum: A new model of dynamic relationships between job satisfaction change and turnover intentions. *Academy of Management Journal*, 54, 159-181.

Sleep Research Society Young Investigator Award (2010). Awarded to Dr. Tracy Rupp for the publication: Rupp TL, Wesensten NJ, Bliese PD, Balkin TJ. Banking sleep: realization of benefits during subsequent sleep restriction and recovery. *Sleep*. 2009 Mar 1;32(3):311-21.

Organizational Research Methods Best Article of the Year Award (2005). Chen, G., Bliese, P. D., & Mathieu, J. E. (2005). Conceptual Framework and Statistical Procedures for Delineating and Testing Multilevel Theories of Homology. *Organizational Research Methods*, 8, 375:409.

Sage Best Paper Award (2005). Research Methods Division, Academy of Management. Paper entitled, *Conceptual framework and statistical procedures for testing multilevel theories of homology*. Co-authored with Gilad Chen.

Walter F. Ulmer, Jr. Applied Research Award (1998). Center for Creative Leadership. Paper entitled, *Leadership, perceptions of work, and the stress-buffering effects of job engagement*. Co-authored with Thomas Britt.

Sage Best Paper Award (1996). Research Methods Division, Academy of Management. Paper entitled, *Group size, group process effects, and ICC values*. Co-authored with Ronald Halverson.

Walter de Gruyter Best Paper Award (1994). Research Methods Division, Academy of Management. Paper entitled, *Within-group agreement scores: Using resampling procedures to estimate expected variance*. Authored with Ronald Halverson and Joseph Rothberg.

Military Service and Awards

- Promoted to rank of Colonel in August of 2010
- Awards
 - Legion of Merit (x 2)
 - Meritorious Service Medal (x 2)
 - Army Commendation Medal (x 3)
 - Army Achievement Medal

Software Products for Statistical Analyses

Multilevel Package for R. An integrated suite of functions designed to perform a variety of multilevel analyses.

Bliese, P. D. (2016). Multilevel Modeling in R: A Brief Introduction to R, the Multilevel Package, and the nlme package (version 2.6). https://cran.r-project.org/doc/contrib/Bliese_Multilevel.pdf

Contracting Officer Representative for a Small Business Technology Transfer Program (STTR) grant to enhance Random Coefficient Modeling algorithms for analyzing dichotomous and multinomial data using the R language (lme4 package).

Contracting Officer Representative for project to expand Item Response Theory functions into the R language (ltm package).

Courses and Lectures

Graduate-Level Seminars

Multilevel Theory and Analyses

Department of Psychology, University of Maryland

Dates Taught: Spring 1999 and Spring 2002.

Multilevel Theory and Analyses (MGMT 872)

Darla Moore School of Business, University of South Carolina

Dates Taught: Fall 2014.

MBA-Level Courses

Leading Teams and Organizations (DMSB 723)

Darla Moore School of Business, University of South Carolina

Dates Taught: Fall 2014, Fall 2015, Summer 2016.

MHR-Level Courses

1. Strategic HR Metrics (DMSB 725)

Darla Moore School of Business, University of South Carolina
Spring 2016.

2. Capstone HR Analytics Consulting (DMSB790)

Darla Moore School of Business, University of South Carolina
Fall 2015 (Obtained \$20K from external firms)
Fall 2016 (Obtained \$45K from external firms)
