

Master of International Business

Darla Moore School of Business

DOUBLE-DEGREE PROGRAM

AALTO UNIVERSITY | HELSINKI, FINLAND

What is the Master of International Business Double-Degree program?

The MIB Double-Degree program is a two-year immersion program enabling you to earn two master's degrees from two world-renowned universities in two different countries, giving you a new perspective on how the world works. You earn a Master of International Business degree at the Darla Moore School of Business — the nation's leading institution for international business education — followed by a Master of Management and International Business degree at Aalto University, one of the world's leading universities for innovation and design thinking. Both programs combine cutting-edge management skills with a deep understanding of the worldwide marketplace — providing you with everything you need to master a world in motion.

Why is it valuable to participate in this program?

The MIB degree is a direct path to a career in international business — a second degree from one of our partners accelerates this process. Both degrees provide you with:

- Real-world experience and credentials to demonstrate your ability to succeed in the global economy
- Access to a global network of peers
- Educational immersion at top-ranked international universities

Why choose the Aalto Double-Degree program?

Aalto University's Master of Management and International Business is a flexible program with opportunities to customize your coursework. If you're interested in the fields of innovation, strategy, information technology, consulting and sustainable development, you're especially well-suited for the program.

Courses offered at Aalto include:

- Innovation
- Strategic Resilience and Renewal
- Data-Driven Business
- Organizational Communication and Leadership
- Web and Mobile Analytics
- Sustainable Entrepreneurship
- and many others

Also unique to Aalto is its Information Technology Program (ITP), which provides you with a strong applied understanding of current information technologies, teaching concepts and approaches to operate effectively in the global business environment now and in the future. You'll gain valuable real-life experience via specialized business projects and earn an additional certificate for completing this program.

Career connections and employment outlook

The Moore School's Office of Career Management prepares you for a successful job search by developing and delivering value-added training focused on career exploration and targeted job placement. As an MIB student, you'll be trained in a wealth of skills to launch your international career, including resume development, interviewing, building a personal brand and professional networking opportunities.

Furthermore, each of our partner schools have extensive career centers to support students in their chosen careers through international internships, international career fairs, personalized career advice and one-on-one career coaching. Through this incredibly strong combination, recent graduates of the MIB program have found placement at companies such as IBM, PricewaterhouseCoopers, Dell, Capgemini, Ernst and Young, Bank of America and many other leading international corporations.
