¹ACCT 725 is a full semester course

²Course has prerequisite requirement(s) that must be satisfied OR instructor must approve an exception prior to registration

³Students must take two elective courses in one of these terms to complete the program within 28 months. Students may accelerate their program completion to graduate in less than 28 months, but should consult with their academic advisor to develop an accelerated course plan.

NOTE: This document identifies the course sequence recommended for timely progression through the PMBA program. Students ARE NOT required to strictly follow this course sequence. Factors such as course enrollment capacity, accelerating or slowing down degree progression, etc. may necessitate deviation from the recommended sequence. Students should consult with the PMBA program's academic advisor to develop and routinely evaluate their program of study to ensure that it satisfies their desired objectives for program completion.
