Second Half of Semester	MGMT 770	ECON 720	Elective (7 needed)	FINA 760 ²	Elective (7 needed)	Elective (7 needed)	MBAD 702 ²	

SUMMER ENROLLEES								
	Year One			Year Two			Year Three	
	Summer	Fall	Spring	Summer	Fall	Spring	Summer	
First Half of Semester	ACCT 724	MKTG 701 ¹ MGSC 711	Elective (7 needed)	Elective (7 needed)	MGSC 791 ²	Elective (7 needed)	Elective (7 needed)	
Second Half of Semester	ECON 720	MGMT 770	FINA 760 ²	Elective (7 needed)	Elective (7 needed)	MBAD 702 ²	Elective (7 needed)	

Effective Spring 2026

¹Effective Spring 2026, MKTG 701 is offered as a weekend residency course in Columbia as part of orientation.

²Course has prerequisite requirement(s) that must be satisfied OR instructor must approve an exception prior to registration.

NOTE: This document identifies the course sequence recommended for timely progression through the PMBA program. Students **ARE NOT** required to strictly follow this course sequence. Factors such as course enrollment capacity, accelerating or slowing down degree progression, etc. may necessitate deviation from the recommended sequence. Students should consult with the PMBA program's academic advisor to develop and routinely evaluate their program of study to ensure that it satisfies their desired objectives for program completion.
