

CURRICULUM VITAE

Jan Marie Eberth, PhD
formerly Jan Marie McCallum

Present Title and Affiliation: Associate Professor (with tenure)
Department of Epidemiology and Biostatistics
Arnold School of Public Health
University of South Carolina

Contact information: SC Cancer Prevention & Control Program
915 Greene St., Room 234
Columbia, SC 29208
jmeberth@mailbox.sc.edu
803-576-5770

EDUCATION

Ph.D. University of Texas Health Science Center, School of Public Health
Epidemiology, May 2011
Minors: Biostatistics, Health Promotion and Behavioral Sciences
Dissertation Advisor: Sally W. Vernon

Predoctoral Fellow, Cancer Education and Career Development Program,
National Cancer Institute (2R25/CA57712), May 2007 – January 2011

M.S.P.H Texas A&M Health Science Center, School of Rural Public Health
Epidemiology, December 2006
Thesis Advisor: Antonio A. Rene

B.S. Clemson University – Clemson, SC
Health Sciences, December 2004

POSTGRADUATE EDUCATION

University of Texas MD Anderson Cancer Center
Division of Quantitative Sciences
Department of Biostatistics – Houston, TX

Mentors: Linda Elting, Md Monir Hossain, Karl Eschbach, Jeffrey Morris

Postdoctoral Fellow, Cancer Prevention Training Program, National Cancer Institute (5R25/CA057730), January 2011 – December 2012

ACADEMIC APPOINTMENTS

Appointments

January 2018- Present	Associate Professor of Epidemiology (with tenure) Department of Epidemiology and Biostatistics Arnold School of Public Health University of South Carolina – Columbia, SC Deputy Director – SC Rural Health Research Center USC Arnold School of Public Health (July 2015-Present) Core Faculty - SC Cancer Prevention and Control Program USC Arnold School of Public Health (January 2013-Present)
January 2013- December 2017	Assistant Professor of Epidemiology Department of Epidemiology and Biostatistics Arnold School of Public Health University of South Carolina – Columbia, SC
May 2013 - Present	Associate Member, College of Graduate Studies Medical University of South Carolina – Charleston, SC
January 2011 – December 2012	Cancer Prevention Postdoctoral Fellow Health Services Research Section, Department of Biostatistics, Division of Quantitative Sciences, University of Texas MD Anderson Cancer Center – Houston, TX
May 2007 – January 2011	Cancer Prevention and Control Predoctoral Fellow Center for Health Promotion and Prevention Research, School of Public Health, University of Texas Health Science Center – Houston, TX
March 2008 – July 2010	Research Assistant I Department of Family and Community Medicine, Baylor College of Medicine – Houston, TX
January 2007 – April 2007	Staff Analyst Office of Surveillance and Public Health Preparedness,

Houston Department of Health and Human Services – Houston, TX

- January 2007 – Graduate Teaching Assistant
May 2007 Course: *Introduction to Epidemiology*
Division of Epidemiology & Disease Control,
School of Public Health at Houston,
University of Texas Health Science Center
- September 2006 – Graduate Assistant
December 2006 Course: *Race, Ethnicity & Health*
Office of Health Informatics,
Department of Health and Kinesiology,
Texas A&M University – College Station, TX
- September 2005 – Graduate Research Assistant
September 2006 Center for the Study of Health Disparities,
Department of Health and Kinesiology,
Texas A&M University – College Station, TX
- November 2003 – Medical Assistant & Research Intern
December 2004 Joseph F. Sullivan Center,
Clemson University – Clemson, SC

RESEARCH

Grants and Contracts

Current Research Support:

Access and Utilization of Colonoscopy: A Spatial Perspective

Source: American Cancer Society Mentored Research Scholar Grant

Period: 1/1/16 – 12/31/19

Role: Principal Investigator

Total Costs: \$579,000

Rural Health Research Grant Program Cooperative Agreement

Source: Federal Office of Rural Health Policy

Period: 9/1/17-8/31/18

Role: Co-PI (Deputy Director)

Total Costs: \$573,000

Leveraging Mammography to Increase Awareness of Lung Cancer Screening

Source: American College of Radiology Harvey L. Neiman Health Policy Institute

Period: 1/1/2017-1/12/19

Role: Principal Investigator

Total Costs: \$25,000

Promoting Healthy Weight in Pregnancy and Postpartum among Overweight/Obese Women (Diversity Supplement for Alycia Boutte)

Source: National Institute of Child Health & Human Development
Period: 1/1/2017-12/31/2018
Role: Co-Investigator
Total Costs: \$64,822

Measuring breast cancer treatment quality at COC-accredited facilities in the U.S.

Source: Greenville Hospital System Care Coordination Institute Seed Grant
Period: 5/1/2018-4/30/2019
Role: PI
Total Costs: \$18,500

Completed Research Support:

Lung Cancer Screening in the Post-NLST Era: Physician Perceptions and Screening Practices

Source: American Cancer Society Institutional Research Grant
Period: 3/1/16-12/31/17
Role: Principal Investigator
Total Costs: \$29,988

Rural Health Research Grant Program Cooperative Agreement

Source: Federal Office of Rural Health Policy
Period: 9/1/16-8/31/17
Role: Co-PI (Deputy Director)
Total Costs: \$214,420

Advancing Quality Lung Cancer Survivorship in South Carolina

Source: Bristol Myers Squibb Foundation
Period: 1/1/17-12/31/19
Role: Co-Investigator (supported 1/1/17-8/31/17)
Total Direct Costs: \$750,000

When Cancer is identified after Trauma: What are the Outcomes?

Source: Health Sciences South Carolina
Period: 6/15/14-6/30/17
Role: Co-I (PI: Nathaniel Bell)
Total Direct Costs: \$9,995

Deficiencies and Determinants of Patient Knowledge about Adjuvant Breast Radiation Therapy

Source: USC Office of the Vice President for Research
Period: 5/16/14-12/31/16
Role: Principal Investigator

Total Direct Costs: \$14,899

Lung Cancer Screening in the Post-NLST Era: Primary Care Nurse Practitioner Perceptions and Screening Practices

Source: USC College of Nursing Preparatory Research Work Grant

Period: 6/1/16-6/1/17

Role: Co-Investigator

Total Costs: \$10,000

2014 Adult Tobacco Survey (PI on sub-project: “Development of Smoking Estimates for South Carolina Using Weighted, Multilevel Prediction Models”)

Source: CDC/SC DHEC Contract

Period: 9/26/14-10/1/16

Role: Co-PI (PI on sub-project)

Total Direct Costs: \$491,126 (sub-project costs: \$93,569)

Geospatial Investigation of Breast Cancer Treatment

Source: NCI/NINR (R15)

Period: 9/2014-8/2016

Role: Co-Investigator

Total Costs: \$424,357

Rural Health Research Grant Program Cooperative Agreement (of sub-project: “Potential Impact of End Stage Renal Disease Payment Reform on Rural Dialysis Patients”)

Source: Federal Office of Rural Health Policy

Period: 9/1/15-8/31/16

Role: Co-Investigator

Total Direct Costs: \$660,000

A Dissemination Project to Advance Lung Cancer Screening in South Carolina (Non-Competitive Renewal)

Source: South Carolina Cancer Alliance

Period: 7/1/15-6/30/16

Role: Principal Investigator

Total Direct Costs: \$10,000

Rural Health Research Grant Program Cooperative Agreement (PI of sub-project: “Colorectal Cancer Screening Bypass Behaviors and Outcomes”)

Source: Federal Office of Rural Health Policy

Period: 9/1/14-8/15/15

Role: Co-Investigator

Total Costs: \$765,547

A Dissemination Project to Advance Lung Cancer Screening in South Carolina

Source: South Carolina Cancer Alliance

Period: 7/15/14-6/15/15

Role: Principal Investigator
Total Direct Costs: \$43,537

Organizational Census and Market Analysis of Priority Areas for the Blue Cross and Blue Shield of South Carolina Foundation

Source: BlueCross BlueShield of South Carolina Foundation
Period: 7/1/2013-9/31/2014
Role: Co-Investigator
Total Direct Costs: \$152,200

Center for Colon Cancer Research (Pilot Project)

Source: National Institute of General Medical Sciences (NIGMS/NIH)
Period: 9/10/13-7/31/14
Role: Principal Investigator
Total Costs: \$72,500

Identifying and Updating Public Health Impacts and Hazard Probabilities for Public Health and Medical Preparedness-Phase IIIA

Source: Florida Department of Health/CDC
Period: 10/14/13-6/30/2014
Role: Co-PI
Total Costs: \$32,908

Identifying and Updating Public Health Impacts and Hazard Probabilities for Public Health and Medical Preparedness-Phase IIIB

Source: Florida Department of Health/CDC
Period: 10/14/13-6/30/2014
Role: Co-PI
Total Costs: \$54,692

Showing Up for Mammography: A Project to Understand and Improve Adherence to Mobile Mammography Appointments

Source: Susan G. Komen Lowcountry Affiliate
Period: 9/1/2013-5/15/2014
Role: Principal Investigator
Total Direct Costs: \$9,904

Geographic Disparities in Mammography Capacity

Source: NIH Loan Repayment Program, Health Disparities Research
Period: 7/1/2012-6/30/2014
Role: Principal Investigator
Total Amount: \$10,226

A Small Area Analysis of Mammography Capacity in the Southern United States: Recommendations for Strategic Resource Allocation and Policy-making

Source: MD Anderson Cancer Prevention Research Training Program (R25CA57730)

Period: January 2011-December 2013
 Role: Postdoctoral Fellow

HPV Vaccine Coverage in Texas Counties: An Application of Multilevel, Small Area Estimation

Source: University of Texas School of Public Health Cancer Education and Career Development Program (R25CA057712)
 Period: May 2007-January 2011
 Role: Predoctoral Fellow

Invited Presentations/Lectures

1. The legacy of the US Public Health Service Syphilis Study at Tuskegee: perceptions and consequences. Project EXPORT External Advisory Board Meeting. Texas A&M University, Center for the Study of Health Disparities (College Station, TX). 2006 Apr.
2. Integrating geography and health services research: exercises in modeling cancer prevention utilization and accessibility. Health Services Research Journal Club. The University of Texas MD Anderson Cancer Center (Houston, TX). 2011 Mar.
3. Spatial accessibility to mammography facilities in the southern United States. Cancer Prevention Brown Bag Lecture. The University of Texas MD Anderson Cancer Center (Houston, TX). 2011 Dec.
4. Modeling geographic disparities in access, utilization, and quality of care: applications in cancer prevention research. The University of South Carolina Arnold School of Public Health. 2012 Mar.

5. Introduction to public health. Boy Scout Merit Badge Day at the University of Houston (Houston, TX). 2012 Oct.
6. Geographic disparities in mammography capacity in the south: a longitudinal assessment of supply and demand. Cancer Prevention Brown Bag Lecture. The University of Texas MD Anderson Cancer Center (Houston, TX). 2012 Oct.
7. Access to cancer care in the U.S. and South Carolina. Rural Health Research Center. The University of South Carolina Arnold School of Public Health. 2013 July.
8. Cancer care deserts: quantifying and solving the problem from a spatial perspective. Cancer Prevention and Control Program Symposium. The University of South Carolina Arnold School of Public Health. 2013 Aug.
9. Cancer screening in SC: projects and opportunities for collaboration. Greenville Hospital System, Care Coordination Institute. (Greenville, SC). 2013 Oct.
10. Where can I get colorectal cancer screening? Investigating spatial access to screening in SC. COBRE Center for Colon Cancer Research. The University of South Carolina. 2013 Oct.
11. Using Infographics to enhance epidemiology education for undergraduates. 2013 Oktoberfest: A Symposium on Teaching. The University of South Carolina. 2013 Oct.
12. Low-dose CT for Lung Cancer Screening: A Review of Current Guidelines and Implementation. Division of Epidemiology Brown Bag Series. The University of South Carolina Arnold School of Public Health. 2013 Nov.
13. Access and utilization of mammography in South Carolina: where do we stand? Palmetto Health Mammography Technologists CE Day. (Columbia, SC). 2014 Feb.
14. A web-based tool to visualize and analyze the spatial arrangement of health care facilities and health outcomes in SC. SCARC Conference (Columbia, SC). 2014 Feb.
15. Mobile mammography: challenges and recommendations. Susan G. Komen Partners in Pink Meeting (Florence, SC). 2014 May.
16. Basics in GIS. GMap Regional Meeting (Columbia, SC). 2014 Aug.
17. Low-dose CT for lung cancer screening: current guidelines and implementation. South Carolina Cancer Alliance Annual Meeting (Columbia, SC). 2014 Oct.
18. Utilizing data to address breast cancer mortality among women living in vulnerable populations. ASTHO/CDC Expert Panel Meeting (Atlanta, GA). 2015 Nov.
19. Assessing quality of breast cancer treatment: unique opportunities. ASTHO/CDC Breast Cancer Learning Community: Tennessee Stakeholder Meeting (Nashville, TN). 2016 March.
20. Identifying disparities in cancer care: an early career scientist's story. Congressional briefing on cancer research funding co-sponsored by Research!America, AcademyHealth, and American Cancer Society Cancer Action Network (Washington, D.C.). 2016 March.
21. Current issues in rural population health. National Rural Health Association 39th Annual Conference. (Minneapolis, MN). 2016 May. [Invited Concurrent Session]
22. Twitter in academia. Society of Epidemiologic Research. (Miami, FL). 2016 June. [Invited Breakfast Roundtable]
23. What do health care providers think about low-dose CT for lung cancer screening? USC College of Nursing Research Forum (Columbia, SC). 2016 October.
24. Advancing lung cancer screening and quality survivorship: current projects in South Carolina. Cancer Prevention and Control Program Monthly Research Symposium (Columbia, SC). 2016 November.

25. Low dose CT is effective for lung cancer screening: now what? Centers for Disease Control and Prevention Associate Director of Science Research Series (Atlanta, GA). 2016 November.
26. Lung cancer screening in U.S. primary care practices. University of Kentucky Markey Cancer Center Research Series (Lexington, KY). 2017 March.
27. Geographic disparities and temporal trends in the colonoscopy workforce. Florida State University School of Medicine (Tallahassee, FL). 2017 Sep.
28. Accessibility and implementation barriers to low-dose lung cancer screening. Wake Forest University School of Medicine (Winston-Salem, NC). 2017 Sep.
29. Geospatial concepts and methods in epidemiologic research. Wake Forest University School of Medicine (Winston-Salem, NC). 2017 Nov.

TEACHING

Courses taught

1. EPID 410: Principles of Epidemiology (3 credit hours). University of South Carolina, Department of Epidemiology and Biostatistics.
2. EPID 845. Doctoral Seminar (1 credit hour). University of South Carolina. Department of Epidemiology and Biostatistics.
3. EPID 890. Geographic Information Systems for Public Health Infrastructure (1 credit hour independent study). University of South Carolina. Department of Epidemiology and Biostatistics
4. EPID 794/767. Geographic Information Systems and Public Health Applications (3 credit hours). University of South Carolina. Department of Epidemiology and Biostatistics.
5. EXSC 499. The SC Colon Cancer Prevention Network: Coordination of Patient Electronic Medical Record Data (1 credit hour research practicum). University of South Carolina. Department of Exercise Science.
6. SCHC 499. Honors College Senior Thesis/Project (3 credit hours). University of South Carolina.
7. EPID 799. Thesis Preparation (1-3 credit hours). University of South Carolina. Department of Epidemiology and Biostatistics.
8. EPID 899. Dissertation Preparation (1-6 credit hours). University of South Carolina. Department of Epidemiology and Biostatistics.
9. SCHC 392. Honors College Proseminar (1 credit hour independent study). University of South Carolina.

Guest lectures

1. Correlates of breast cancer screening among American Indian and Alaska Native women: results from the 2003 California Health Interview Survey. Lecture for Epidemiology Doctoral Seminar. University of Texas School of Public at Houston. 2007 Nov.
2. Evaluating screening tools and measures. Lecture for Introduction to Epidemiology Course. Clemson University. 2010 Apr.
3. Making the transition from postdoc to faculty. Lecture for Behavioral Science Seminar. The University of Houston School of Public Health at Houston. 2012 Oct.
4. Cancer epidemiology: a spatial perspective. Lecture for Cancer Epidemiology, EPID 741. University of South Carolina. 2013 Mar.
5. Social epidemiology. Lecture for Introduction to Epidemiology Course, EPID 410. University of South Carolina. 2014-2017 annually.
6. Role of space in predicting health behaviors and outcomes. Lecture for Seminar in Epidemiology, EPID 745. University of South Carolina. 2014 Nov.
7. Population impact and priorities for lung cancer screening. Lecture for Cancer Epidemiology Course, EPID 741. University of South Carolina. 2015 Apr.
8. A dissemination project to advance lung cancer screening in South Carolina. Lecture for Exercise Science Seminar, EXSC 783. University of South Carolina. 2015 Apr.

9. Trends in colonoscopy capacity and utilization: research and policy approaches. Lecture for Health Services Policy & Management Doctoral Seminar, HSPM 800. University of South Carolina. 2016 Feb.
10. Training matters! Lecture for Epidemiologic Methods III. Lecture for Epidemiologic Methods III, EPID 802. University of South Carolina. 2016 Nov.
11. Peer review of epidemiology grant applications. Guided activity for Epidemiologic Methods III, EPID 802. University of South Carolina. 2016 Dec.
12. Low-dose CT is an effective lung cancer screening tool: now what? Lecture for Health Services, Policy and Management Doctoral Seminar, HSPM 800. University of South Carolina. 2017 Jan.
13. Cancer epidemiology: place as a cause. Lecture for Cancer Epidemiology, EPID 746. University of South Carolina. 2017 Feb.
14. Working with multidisciplinary research centers. Lecture for Health Promotion, Education and Behavior Doctoral Seminar, HPEB 704. University of South Carolina. 2017 Apr.
15. Using data to mobilize action: a South Carolina case study. Lecture for Cancer Epidemiology, EPID 746. University of South Carolina. 2017 Apr.
16. Methodological and grantsmanship issues related to health services and GIS research. Lecture for Epidemiology Methods III, EPID 802. University of South Carolina. 2017 Oct.
17. Survey data collection: best practices and examples from public health. Lecture for Master's Epidemiology Seminar, EPID 745. University of South Carolina. 2017 Nov.

MENTORSHIP/ADVISING

USC-Columbia (Reverse Chronological)

PhD Students, Committee Chair Appointments

- Szaid Khan (PhD in Epidemiology, Ongoing); Dissertation Title: “Spatial exploration of access to HIV resources and predicting HIV outbreaks in rural areas across the U.S.”;
- Cassie Odahowski (PhD in Epidemiology, Ongoing); Dissertation Title: “Identifying geographic disparities in minimally invasive thoracic surgery and high quality surgical treatment among lung cancer patients in the United States”; **Awarded SPARC Dissertation Grant in January 2018; USC Donna and Andrew Sorensen Graduate Student Fellowship in Cancer Research Finalist**
- Michele Josey (PhD in Epidemiology, Ongoing); Dissertation Title: TBD; **Awarded NIH Behavioral-Biomedical Interface Program Pre-doctoral Fellowship (T32);**
- Jennifer Ersek (PhD in Epidemiology, Graduated Dec 2017); Dissertation Title: “Molecular testing and overall survival in non-small cell lung cancer patients”; **Awarded SPARC Dissertation Grant in Spring 2015**

PhD Students, Committee Member Appointments

- Alycia Boutte (PhD in Health Promotion, Education and Behavior, Ongoing); Dissertation Title: “Exploring the Impact of Mental Health and the Nutritional Built Environment on Diet Quality and Pregnancy”; **Awarded NIH Research Supplement to Promote Diversity in Health-Related Research**

- Babatunde Oluwole (PhD in Epidemiology, Ongoing); Dissertation Title: "Racial disparities in breast cancer treatment in South Carolina"; **Awarded NIH F99/KOO Predoctoral-to-Postdoctoral Fellowship Grant**
- Peter Georgantopoulos (PhD in Epidemiology, Ongoing); Dissertation Title: "The importance of person and place in predicting prostate cancer incidence and mortality among United States veterans seeking Veteran's Health Administration Care"
- Deborah Hurley (PhD in Epidemiology, Ongoing); Dissertation Title: "Local area influences and geographical variation of oral and pharyngeal cancer in South Carolina"
- Jarrod Bullard (PhD in Health Services Policy and Management, Graduated August 2017); Dissertation Title: "Racism across the American South: the relationship between racism, rurality and black mortality"
- Meng-Han Tsai (PhD in Health Services Policy and Management, Graduated May 2016); Dissertation Title: "Frequency of colonoscopy surveillance in average-risk adults relative to guideline recommendations"
- Yu-Hsiu Lin (PhD in Health Services Policy and Management, Graduated Dec 2015); Dissertation Title: "Community level factors associated with health-related quality of life among older adults"

Master's Students, Committee Chair/Practicum Appointments

- Sarah Grace Turner (MSPH in Epidemiology, Ongoing); Thesis Title: "Exploring Breast Cancer Care Variation in CoC-Accredited Facilities"
- Charity Breneman, University of South Carolina (MSPH in Epidemiology, Graduated Dec 2015); Thesis Title: "Spatial Analysis of the Determinants of Emergency Department Utilization among Patients with Diabetes in South Carolina"
- Emily Haanschoten, University of South Carolina (MSPH in Epidemiology, Graduated Dec 2014); Thesis Title: "Effect of primary care physician density on late stage cervical cancer diagnosis"
- Casey Browder, University of South Carolina (MHA, Graduated May 2014); Practicum Title: "Reducing no-shows and improving processes for McLeod Health's Mobile Mammography Unit"

Master's Students, Committee Member Appointments

- Samantha Truman (MSPH in Epidemiology, Graduate Aug 2017); Thesis Title: "The Impact of Autoimmune Disease on Breast Cancer Survival"
- Joshua Sellner (MSPH in Epidemiology, Graduated May 2016); Thesis Title: "Fine Particulate Matter and Inflammatory Bowel Diseases in South Carolina"
- Amanda Thomas (MSPH in Epidemiology, Graduated Aug 2016); Proposed Thesis Title: "Influence of Built Environment on Physical Activity Outcomes Among African-American Women in a Breast Cancer Intervention Study"
- Chisom Onyeuku (MSPH in Epidemiology, Graduated May 2015); Thesis Title: "Physical Activity & Breast Cancer in South Carolina"
- Portavia Featherstone (MSPH in Epidemiology, Graduated May 2015); Thesis Title: "Geographic accessibility of health services and neonatal mortality among very low birthweight infants in South Carolina"

Student Research Projects

- Lebron Logan (BS, Geography, Ongoing); Project Title: “Lung cancer screening availability in the US, 2017”
- Sarah Grace Turner (MSPH, Epidemiology, Ongoing); Project Title: “Leveraging mammography to increase awareness of lung cancer screening”
- Pariza Bozorgi (PhD, Environmental Science, Completed Project 2017); Project Title: “Locations of lung cancer screening centers in the U.S.”
- Lauren Blew (BS, Nursing, Completed Project 2016); Project Title: ProjectLUNG
- Deborah Warden (PhD, Nursing, Completed Project 2016); Project Title: ProjectLUNG
- Chelsea Larsen (PhD, Exercise Science, Completed BBIP Lab Rotation 2016); Project Title: “Geocoding U.S. mammography facility data, 2014-2015”; **Awarded NIH Behavioral-Biomedical Interface Program Pre-doctoral Fellowship (T32)**
- Sarah Powell (BS, Public Health, Graduated May 2015); Project Title: “A Geospatial and Qualitative Examination of USC’s Tobacco-Free Campus Policy”; **Granted \$3,000 Magellan Undergraduate Research Grant** to conduct an observational study of smoking on the USC campus; Awarded 1st place poster at USC’s 2016 Discovery Day)
- Tushar Trivedi (PhD, Epidemiology, Completed Project 2015); Project Title: “Urban-rural patterns of colonoscopy utilization”
- Nancy Gallant (PhD in Epidemiology, Completed Project 2015); Project Title: “Association Between Being Up-To-Date on Colorectal Cancer Screening and Diabetes, 2012 BRFSS”; **Granted \$5,000 recruitment scholarship by the USC Center for Colon Cancer Research** to conduct clinical/translational research in the area of diabetes and colorectal cancer risk
- Marsha Samson (PhD, Epidemiology, Graduated Dec 2015); Project Title: “SCCA Breast & Female Cancer Report: Breast Cancer Statistics in SC” **Awarded NIH Behavioral-Biomedical Interface Program Pre-doctoral Fellowship (T32)**
- Bryttin Boyde (BS, Anthropology/Biochemistry & Molecular Biology; USC Honors College, Graduated May 2015); Project Title: “Measuring spatial accessibility to endoscopy for colorectal cancer screening in SC using novel GIS approaches”; **Granted \$1,500 Exploration Scholars Research Program Award** to conduct a study examining the supply and demand for endoscopy in SC over time; Awarded 1st place poster at USC’s 2015 Discovery Day
- John Odom (BS, Public Health, Graduated May 2015); Project Title: “Costs, Risks and Benefits of Low-Dose CT for Lung Cancer Screening”; **Granted \$3,000 Magellan Undergraduate Research Grant** to conduct a qualitative study of Medicare beneficiaries’ awareness and perceptions of lung cancer screening coverage
- Ashley Gregoire (BS, Public Health, Graduated May 2015); Project Title: “SCCCPN: Coordination of Patient Electronic Medical Record Data”; Research intern at the Center for Colon Cancer Research at USC
- Sarah Baker (BS, Public Health, Graduated May 2015) Project Title: “SCCCPN: Coordination of Patient Electronic Medical Record Data”; Research intern at the Center for Colon Cancer Research at USC
- Jacob Legrone (BS, Public Health, Graduated May 2015); Project Title: “Geographic information systems for public health infrastructure”

- Rebecca Qiu (BS in Nursing, Graduated May 2014); Project Title: “Adoption of Low-Dose Computed Tomography for Lung Cancer Screening: A Mixed-Methods Study”; **Granted \$1,500 Magellan Undergraduate Research Grant** to conduct a mixed-methods study of lung cancer screening adoption among health systems

Other universities

PhD Students, Committee Member Appointments

- Jenna Khan, University of Illinois-Chicago (PhD in Epidemiology, Ongoing); Dissertation Title: “The application of geographic analyses to assess disparities in access to breast cancer care in Chicago”
- Georgiana Onicescu, Medical University of South Carolina (PhD in Biostatistics, Graduated May 2015); Dissertation Title: “Advances in geospatial survival modeling for small area cancer data”

Undergraduate Research Projects

- Shacoria Anderson, Georgetown University (BS, Human Science, Completed Project 2017); Project Title: “Development lung cancer screening small media campaign materials for the South Carolina Cancer Alliance”
- Madison Walter, Wofford College (BS, Anthropology, Completed Project 2014); Project Title: “A descriptive analysis of the state of breast cancer in South Carolina”

SERVICE AND CONSULTING

Consulting

- CDC/ASTHO Breast Cancer Learning Community Consultant (2015-2017)

Institutional Service (Reverse Chronological)

- James E. Clyburn Health Disparities Lecture Committee (USC, Fall 2017-Present)
- Department of Health Services Policy and Management Faculty Search Committee (USC, Fall 2017-Present)
- Department of Epidemiology and Biostatistics Exam Committee (USC, Fall 2017-Present)
- Department of Epidemiology and Biostatistics Research Committee (USC, Fall 2016-Present)
- Moore Cindy Babb Excellence in Rural Health Endowed Fellowship Selection Committee, USC Arnold School of Public Health (Fall 2016-Present)
- Department of Epidemiology and Biostatistics Mission, Vision and Values Committee (USC Arnold School of Public Health, Fall 2016)
- James E. Clyburn Health Disparities Lecture Abstract Reviewer (Spring 2016)
- Medical Quality Advisory Committee for the South Carolina Cancer Prevention Network at USC (Spring 2015-Present)
- Strategic Planning Committee on Mission, Vision and Values (USC Arnold School of Public Health, Fall 2015)
- ASPIRE Grant Reviewer (USC Office of the Vice President of Research, Spring 2015)

- Carolina Judicial Council for the Office of Academic Integrity at USC (Fall 2014-Present)
- Deputy Director, SC Rural Health Research Center (USC, Summer 2015-Present)
- SC Cancer Prevention and Control Program Communications Committee Chair (USC, Spring 2015-Fall 2015)
- Magellan Scholar Undergraduate Research Grant Ad-Hoc Reviewer (USC Office of Undergraduate Research, Spring 2014, Fall 2016)
- SPARC Graduate Fellowship Reviewer (USC Graduate School, Fall 2013)
- Department of Epidemiology and Biostatistics Faculty Search Committee (USC, Fall 2013, Spring 2016, Fall 2016)
- SC Cancer Prevention and Control Program 10th Anniversary Event Planning Committee (USC; Spring 2013-Present)
- Division of Epidemiology Admissions Committee (USC, Spring 2013 - Spring 2017)
- Leading Mentor in Cancer Prevention Review Committee (MD Anderson Cancer Center; Fall 2011)

Professional and Community Service Activities

- American Cancer Society Congressional Action Network SC Ambassador, Congressional District 2 (Summer 2016 – Present)
- Lung Cancer Alliance Patient-Powered Research Network Advisory Board Member (Fall 2016-Present)
- American Cancer Society Cancer Action Network Day at the State House (Spring 2016)
- “Shine a Light” Lung Cancer Awareness Month event in partnership with the Lung Cancer Alliance (Fall 2015)
- *Prevent Cancer Foundation* Community Grants Reviewer (Spring 2015)
- SC Behavioral Risk Factor Surveillance System Advisory Committee (Fall 2013-Present)
- South Carolina Cancer Alliance Member (2013-Present)
 - Chair, Lung Cancer Workgroup (2016-Present)
 - Co-Chair, Breast and Female Cancers Workgroup (2013-2016)
 - State Cancer Plan Reviewer (2014, 2016)
 - Lung Cancer Evidence Academy Planning Committee (2016)
- Public Health Boy Scout Merit Badge Teacher (University of Houston, 2011)
- American College of Epidemiology Member (2007- Present)
 - Associate Member (2007-2012)
 - Member (2013-Present)
 - Associate Director, Board of Directors (2008-2010)
 - Communications Committee Member, Vice-Chair (2010-2013) and Chair (2013-2016)
 - Career Mentoring Committee Liaison (2015-Present)
 - Abstract Reviewer (2010-2013)
- American Public Health Association Member (2006-Present)
 - Abstract Reviewer (2011)
- Texas A&M Health Science Center Epidemiology Student Organization Member (2005-2006)
 - Vice President (2005-2006)

EDITORIAL AND REVIEW ACTIVITIES

Editorial Boards

Associate Editor, *Annals of Epidemiology* (2014-Present)

- Guest Editor on “GIS and Spatial Methods in Epidemiology” issue published in January 2017

Journal Reviewer

Women’s Health Issues

Psycho-Oncology

Annals of Epidemiology

Cancer Causes & Control

Health & Place

Journal of Adolescent Health

Epidemiology & Infection

Social Science & Medicine

Cancer

American Journal of Epidemiology

Spatial and Spatio-temporal Epidemiology

American Journal of Public Health

Journal of Adolescent and Young Adult Oncology

BMC Cancer

Journal of Healthcare Quality

American Journal of Preventive Medicine

Maternal and Child Health Journal

The Journal of Rural Health

Preventing Chronic Disease

Health Promotion Practice

Cancer Epidemiology, Biomarkers, and Prevention

Frontiers in Medicine

Journal of the American College of Radiology

Healthcare: The Journal of Delivery Science and Innovation

HONORS AND AWARDS

- **USC Office of the Vice President for Research’s “Breakthrough Star” Award for Early Career Faculty (Fall 2016)**
- Top ranked abstract at the 2016 *Dialogue for Action* meeting in Baltimore, MD
- **James A. Keith Arnold School of Public Health Teaching Award Nominee**, University of South Carolina Arnold School of Public Health (Spring 2016, Spring 2017)
- Early Career Reviewer Program Participant, Center for Scientific Review, NIH (Fall 2015-Present)
- **National Rural Health Association Rural Health Fellowship Recipient (Fall 2015-Fall 2016)**

- **Awarded American Cancer Society Mentored Research Scholar Grant (2016-Present)**
 - Two posters chosen as featured works for the North American Primary Care Research Group Annual Meeting in Cancun, Mexico (2015)
 - Recognized reviewer of the *American Journal of Preventive Medicine* (2014)
 - Poster chosen as a featured work for the American College of Epidemiology Meeting in Silver Spring, MD (2014)
 - Honorable Mention for Women's Health Issues article, "Human papillomavirus vaccine coverage among females aged 11 to 17 in Texas counties: an application of multilevel, small area estimation" (2013)
 - Top 10 Associate Member abstracts at the American College of Epidemiology Meeting (2012)
 - NIH Health Disparities Loan Repayment Program Recipient (2012-Present)
 - **Awarded a National Cancer Institute Cancer Prevention Training Program, Post-doctoral Fellowship (2011-Present)**
 - **Awarded a National Cancer Institute Cancer Education Career Development Program, Pre-Doctoral Fellowship (2007-2011)**
 - Delta Omega Honor Society Member, Alpha Tau Chapter (2009)
 - James Emerson Teaching Assistant of the Year Nominee, University of Texas Health Science Center at Houston (2007)
 - Outstanding New Student Scholarship, University of Texas Health Science Center at Houston (2007)
 - Health Resources and Services Administration Epidemiology Traineeship Recipient, Texas A&M Health Science Center (2005)
 - Eta Sigma Gamma: National Health Education Society (2004-2005)
 - Certificate of Academic Excellence, Clemson University (2004)
 - Lt. Miles R. Hunter Scholarship Recipient, Clemson University (2004)
 - Golden Key International Honor Society (2004-Present)
 - Full Academic Scholarship, North Greenville College (2000)
 - Dean's List Recognition & SC Life Scholarship Recipient (2000-2004)
-
