

TISHA M. (FOWLER) FELDER

Primary appointment and work address:

Assistant Professor and
Director of Diversity, Equity & Inclusion
College of Nursing
University of South Carolina
1601 Greene Street, Room 620
Columbia, SC 29208
Telephone: (803) 777-9830
E-mail:feldert@mailbox.sc.edu

Secondary work office:

Core faculty, Cancer Prevention & Control Program
Arnold School of Public Health,
University of South Carolina
915 Greene Street, Suite 200
Columbia, South Carolina 29208

EDUCATION:

- PhD UNIVERSITY OF TEXAS SCHOOL OF PUBLIC HEALTH 2010 Houston, TX
Major field: Behavioral Sciences
Minor(s): Epidemiology, Health Policy
Dissertation: Exploring the use of pharmaceutical patient assistance programs as an option to improve access to and affordability of prescription drugs
- MSW UNIVERSITY OF MICHIGAN SCHOOL OF SOCIAL WORK 2002 Ann Arbor, MI
Concentration: Social Policy & Evaluation
Practice area: Communities & Social Systems
- BA WAKE FOREST UNIVERSITY 2001 Winston-Salem, NC
Major field: Sociology
Minor: Spanish
Universidad de La Habana, Havana, Cuba (Summer 2000)
Pontificia Universidad de Católica, Quito, Ecuador (Summer 1998)

RESEARCH TRAINING:

- Postdoctoral Fellow Health Outcomes Department of Clinical Pharmacy & Outcomes Sciences, College of Pharmacy; Cancer Prevention & Control Program, University of South Carolina, Columbia SC 5/2011 to 8/2013
- Graduate Student Trainee Pharmacy Department of Drug Use Policy & Pharmacoeconomics, University of Texas MD Anderson Cancer Center, Houston, TX 12/2008-8/2009
- Pre-doctoral Fellow Cancer Prevention & Control Center for Health Promotion & Prevention, University of Texas School of Public Health Houston, TX 8/2005-8/2010

RESEARCH/WORK EXPERIENCE:

Assistant Professor (tenure-track)	College of Nursing University of South Carolina, Columbia SC	8/2015 to present
Research Assistant Professor	College of Nursing University of South Carolina, Columbia SC	8/2013 to 7/2015
Postdoctoral Fellow	Department of Clinical Pharmacy & Outcomes Sciences, College of Pharmacy; Cancer Prevention & Control Program, University of South Carolina, Columbia SC	9/2010 to 4/2013
Graduate Student Trainee	Department of Drug Use Policy & Pharmacoeconomics, University of Texas MD Anderson Cancer Center, Houston, TX	12/2008-8/2009
Student Extern	Department of Drug Use Policy & Pharmacoeconomics, University of Texas MD Anderson Cancer Center, Houston, TX	6/2007-9/2007
Graduate Research Assistant	Chronic Disease Prevention & Control Research Center, Department of Medicine Baylor College of Medicine, Houston, TX	11/2005-6/2007
Presidential Management Fellow	National Cancer Institute, National Institutes of Health, Bethesda, MD	9/2003-8/2005
Research Assistant	University of Michigan School of Social Work, Ann Arbor, MI	9/2002-8/2003
Intern	HIV/AIDS Programs, Detroit Health Department, Detroit, MI	5/2002-12/2002
Intern	Detroit Hispanic Development Corporation, Detroit MI	1/2002-5/2002

HONORS & AWARDS:

Inaugural Andrew Billingsley Faculty Award, Institute for Families in Society & African American Studies Program, University of South Carolina	2016
Institute for African American Studies Fellowship, University of South Carolina	2014-2015
Robert Wood Johnson Foundation New Connections, Center for Statistical Consultation and Research (CSCAR) Award, University of Michigan	2013
McNair Law Firm Foundation Travel Scholarship Award	2013
Edith Peng Award for Research Excellence, Hollings Cancer Center, Medical University of South Carolina	2012
American Association for Cancer Research Minority Scholars in Cancer Research Award	2012
NIH Health Disparities Loan Repayment Program Award	2011-2013
Health Equity Leadership Institute Scholar Award, Collaborative Center for Health Equity, University of Wisconsin	2011
Robert Wood Johnson Foundation New Connections Symposium Travel Award	2011
PhRMA Foundation Postdoctoral Fellowship in Health Outcomes	2011-2013
AcademyHealth/Aetna Foundation Minority Scholars Program Award	2010

Cancer Education and Career Development Pre-Doctoral Fellowship	2005-2010
C-Change Summer Internship Program	2005
National Cancer Institute Performance Award	2005
National Cancer Institute Incentive Award	2004
National Association of Black Social Workers Scholarship	2002
University of Michigan School of Social Work Merit Scholarship	2001-2002
Alpha Kappa Delta, Sociology Honors Society, Wake Forest University	2001
Wake Forest University Dean's List	1998; 2000-01
Wake Forest University Black American Scholarship	1997-2001

JOURNALS REVIEWED FOR:

The American Journal of the Medical Sciences	Clinical Trials
The Journal of the National Medical Association	Cancer
Breast Cancer Research and Treatment	Cancer Epidemiology
Progress in Community Health Partnerships: Research, Education, and Action	Community and University Partnership
Psycho-Oncology	Psychological, Social and Behavioral Dimensions of Cancer

PROFESSIONAL & COMMUNITY SERVICE AFFILIATIONS:

American Public Health Association	Health Care Ministry, Right Direction Church International
American Association for Cancer Research	South Carolina Cancer Alliance
American Association for Cancer Research	Chair, USC College of Nursing Diversity Committee

MAJOR RESEARCH INTERESTS:

Health disparities, access to care, breast cancer, breastfeeding, pharmaceutical care, cancer survivorship, patient and social services, mentoring and training, workforce development and diversity, community-based participatory research, underserved populations (e.g., African Americans, Medicaid enrollees)

RESEARCH SUPPORT:

Funded Grants & Contracts

Current support

Education on the Go: Usability Testing of Mobile Technology to Promote Breastfeeding among African American women (Preparatory Research Work Funds)

Source: USC College of Nursing

Period: 6/1/2017-5/30/2018

Role: Co-Investigator

Amount: \$10,000; 10%

Project Goal: This study will evaluate the feasibility and acceptability of a mobile application providing breastfeeding education and support to African American women. Our project aims to: 1) Develop a first phase, breastfeeding education and support mobile website targeting African American women; and 2) Evaluate participant satisfaction and changes in breastfeeding knowledge and perceptions following the use of the mobile website.

Improving Adherence to Adjuvant Hormonal Therapy among Disadvantaged Breast Cancer Survivors

Source: National Cancer Institute (K01CA193667)

Period: 9/11/2015-08/31/2020

Role: Principal Investigator

Amount: \$630,827; 75%

Project Goal: Training facilitated by this National Cancer Institute-funded K01 will provide Dr. Felder with the protected time to obtain the theoretical knowledge and methodological skills necessary to become a nationally-recognized outcomes researcher who develops and disseminates effective strategies to improve adherence to evidence-based cancer care among disadvantaged populations.

Health Disparities Loan Repayment Program - Contract

Source: National Institute on Minority Health & Health Disparities/National Institutes of Health

Period: 7/01/2016 – 6/30/2018

Role: Principal Investigator

Amount: \$45,106.89

This nationally-competitive program repays up to \$35,000 of qualified student loan debt per year for researchers who conduct health disparities focused research.

Administrative Supplement for Strengthening Research, Training, and Outreach Capacity of the Geographic Management of Cancer Health Disparities Program (GMaP)

Source: National Cancer Institute

Period: 9/1/15-08/31/18

Role: Co-Investigator

Amount: \$250,000; 2% (Contributed effort)

GMaP encourages teams of researchers to work together to share information, resources, and tools; enhance under-represented faculty recruitment/job placements; and strengthen region-based community research and outreach efforts that contribute to achieving the following goals: 1) Advance the science of cancer health disparities (CHD) research; 2) Promote the development of the next generation of competitive, underrepresented cancer and CHD researchers; and ultimately, 3) Achieve measurable reductions in CHD within the region.

South Carolina Cancer Health Equity Consortium (SC CHEC)

Source: National Cancer Institute/National Institutes of Health – R25E

Period: 9/1/2015-8/31/2020

Role: Co-Investigator

Amount: \$1,320,889; (Guest lecturer in Summer Program; contributed effort)

The Medical University of South Carolina, the University of South Carolina, and three historically black colleges/universities – Claflin University, South Carolina State University, and Voorhees College–have created an innovative, inter-institutional, cancer equity research training and career mentoring curriculum to attract and catalyze a new generation of diverse biomedical scientists.

Completed support

Health Disparities Loan Repayment Program - Contract

Source: National Institute on Minority Health & Health Disparities/National Institutes of Health

Period: 8/1/2015-7/31/2016

Role: Principal Investigator

Amount: \$35,000

This nationally-competitive program repays up to \$35,000 of qualified student loan debt per year for

researchers who conduct health disparities focused research.

Magellan Scholarship: Promoting Breastfeeding among African American Women

Source: USC Office of Undergraduate Research

Period: 1/1/2015-12/31/2015

Role: Co-Mentor

Amount: \$3,000 (Contributed effort)

This scholarship provides support for undergraduate student research (Jennifer Beecroft, Nursing) that will explore the knowledge, attitudes and perceptions of pregnant African American women and their partner/family member toward breastfeeding and potential methods for promoting breastfeeding among this population.

Institute for African American Research Fellowship

Source: University of South Carolina Institute for African American Research

Period: 6/1/2014-5/31/2015

Role: Co-Principal Investigator

Amount: \$2,500

This fellowship provides support for research that will explore the knowledge, attitudes and perceptions of pregnant African American women and their partner/family member toward breastfeeding and potential methods for promoting breastfeeding among this population.

ASPIRE Grant: Patient Centered Treatment Adherence to Hormonal Therapy

Source: USC Office of the Vice President for Research

Period: 05/16/2014 – 09/15/2015

Role: Co-Investigator

Amount: \$10,715; 5% (Contributed)

Our specific aims are to 1) Understand the experience of African American women who are prescribed hormonal therapy; 2) Identify problems that may hinder treatment adherence such as knowledge deficits and life situations; and 3) explore the acceptability of an intervention to be tested in future studies.

Administrative Supplement for Strengthening Research, Training, and Outreach Capacity of the Geographic Management of Cancer Health Disparities Program (GMaP)

Source: National Cancer Institute

Period: 9/1/14-08/31/15

Role: Co-Investigator

Amount: \$122,019; 2.8% (Contributed)

GMaP encourages teams of researchers to work together to share information, resources, and tools; enhance under-represented faculty recruitment/job placements; and strengthen region-based community research and outreach efforts that contribute to achieving the following goals: 1) Advance the science of cancer health disparities (CHD) research; 2) Promote the development of the next generation of competitive, underrepresented cancer and CHD researchers; and ultimately, 3) Achieve measurable reductions in CHD within the region.

Story and Adherence: Breast Cancer in African Americans

Source: Oncology Nursing Society (ONS) Foundation

Period: 01/15/2013-01/15/2015

Role: Co-Investigator

Amount: \$19,109; 5% (Contributed)

The major goal of the study is to provide understanding of African American women's perspective and experience on the treatment of breast cancer, specifically radiation and chemotherapy and the ways in which social disconnection intersects with their ability to complete treatment.

Postdoctoral Award in Health Outcomes

Source: Pharmaceutical Research & Manufacturers of America (PhRMA) Foundation
Period: 5/1/2011-4/30/2013
Role: Principal Investigator
Amount: \$55,000/year

This nationally-competitive fellowship provides support for postdoctoral research that will examine racial differences in the use of oral anti-cancer agents among SC Medicaid enrollees diagnosed with breast cancer.

Health Disparities Loan Repayment Program - Contract

Source: National Institute on Minority Health & Health Disparities/National Institutes of Health
Period: 10/1/2011-9/30/2013
Role: Postdoctoral Fellow
Amount: \$70,000

This nationally-competitive program repays up to \$35,000 of qualified student loan debt per year for researchers who conduct health disparities focused research.

TEACHING EXPERIENCE:

Nov 2011-2017 “An Overview of Health Disparities in Pharmaceutical Care and Services”
Guest lecture, *Introduction to the Profession of Pharmacy* course
University of South Carolina, College of Pharmacy, Columbia, SC
Instructor: Richard Schulz, PhD; Betsy Blake, PharmD

Fall 2016 PUBH 399: Introduction to Grant Proposal Development (Independent Study)
University of South Carolina, School of Public Health
Role: Instructor
Student: Brianna Jacobs (Public Health Undergraduate student)

Summer 2016 NURS 898: Research Internship
University of South Carolina, College of Nursing
Role: Instructor
Students: Lisa Webb & Chigozie Nwonkta (Nursing PhD students)

Spring 2016 NURS 870: Grant Proposal Development
University of South Carolina, College of Nursing
Role: Instructor

Fall 2015 NURS 898: Research Internship
University of South Carolina, College of Nursing
Role: Instructor
Students: Eboni Harris (Nursing PhD students)

Fall 2015 NURS 790: Research Methods for Nursing
University of South Carolina, College of Nursing
Role: Co-Instructor; Mary Boyd, PhD, R : Lead instructor

Apr 2015, Apr 2014, Mar 2013 “The (potential) impact of health policy on health disparities in the U.S”
Guest lecture, *Shaping of Health Policy in US* course
University of Texas School of Public Health, Houston, TX
Instructor: Lincy Lal, PharmD, PhD

Apr 2015 “Health Disparities and Anti-Cancer Drug Use”
Guest lecture, EPID 746: Cancer Epidemiology course,
University of South Carolina, School of Public Health, Columbia, SC
Instructor: Susan Steck, PhD

- Mar 2015 “Theoretical or Conceptual Frameworks? Applications in Cancer Disparities Research” Guest lecture, NURS 801: Theory Analysis for Nursing Science
University of South Carolina College of Nursing, Columbia, SC
Instructor: Laura Hein, PhD, RN, FAAN
- Spring 2015 NURS 999: Independent Study course
University of South Carolina College of Nursing, Columbia, SC
Student: Brianna Jacobs (Pre-pharmacy undergraduate student)
- Dec 2014 “Cancer Disparities Among African Americans: Becoming Part of the Solution”
Guest lecture, EPID 845: Doctoral Seminar course
University of South Carolina, School of Public Health, Columbia, SC
Instructor: Edith Williams, PhD
- Nov 2014 “Training Matters!”
Guest lecture, *Advanced Analytical Methods in Epidemiology* course
University of South Carolina, School of Public Health, Columbia, SC
Instructor: Swann Adams, PhD
- Nov 2014, 2013, 2012, 2011 “An Overview of Health Disparities in Pharmaceutical Care and Services”
Guest lecture, *Introduction to the Profession of Pharmacy* course
University of South Carolina, College of Pharmacy, Columbia, SC
Instructor: Richard Schulz, PhD
- Nov 2013, 2012 “The (potential) impact of health policy on health disparities in the U.S.”
Guest lecture, *Health Policy in the US* course
Rice University, Houston, TX
Instructor: Lincy Lal, PharmD, PhD
- Feb 2012 “Writing and Publishing Scientific Manuscripts”
Guest Lecture, *Pharmaceutical Outcomes Database Management* course
University of South Carolina, College of Pharmacy, Columbia, SC
Instructor: Kevin Lu, PhD
- Feb 2011 “Health Services Research ‘in the Community’”
Guest lecture, *Public Health Spatial Methods* course
University of South Carolina School of Public Health, Columbia, SC
Instructor: Robin Puett, PhD
- Feb 2010 “Exploring the use of pharmaceutical patient assistance programs as an option to improve access to and affordability of prescription drugs”
Guest lecture, *Health Services Policy and Management Doctoral Seminar* course
University of South Carolina School of Public Health, Columbia, SC
Instructor: Phoenix Do, PhD
- Spring 2009 Upward Bound Academic Counselor
University of South Carolina, TRIO Programs, Columbia, SC
- Fall 2005 Problem-based learning facilitator, *Health Promotion Theory & Methods I*, course
University of Texas School of Public Health, Houston, TX
Instructors: Kay Bartholomew, EdD.; Theresa Byrd, DrPH; Belinda Reininger, DrPH
