

UNIVERSITY OF SOUTH CAROLINA

PRACTICUM SUPERVISOR APPLICATION

We are always looking for new sites and experiences for students enrolled in our graduate program. If you wish to join the list of sites and supervisors, please complete and return this form. Supervisors must have CCC's from ASHA, be on-site 100% of the time, and supervise at least 25% of client interactions. Supervisors document student performance and approve earned practicum hours using CALIPSO, a web-based program. Many potential supervisors have questions about supervision. A good resource is ASHA's supervision site, at http://www.asha.org/slp/supervision.htm. Of course, the practicum administrators at USC are always here for guidance and support, should our outside supervisors need it. We very much value our practicum supervisors, and want them to feel supported and happy.

Thank you for your interest! We look forward to hearing from you.

Name/ Title: [text box]

Name of site: [text box]

ASHA Number: [text box]

Telephone number(s): [text box]

Email Address: [text box]

Mailing address of facility: [text box]

City: [text box]

State: [text box] Zip Code: [text box]
