

Nicholas A. Younginer

Curriculum Vitae

Younginn@mailbox.sc.edu

Education

- 2016 **PhD, Health Promotion, Education, and Behavior**
University of South Carolina, Columbia, SC
Dissertation: *The Roots of Perspective in the American Context: News Media Discourse and Stakeholder Perspectives About the Supplemental Nutrition Assistance Program*
- 2009 **MA, Anthropology**
University of South Carolina, Columbia, SC
Thesis: *(Re)Creating Community and Home in a New York Maronite Church*
- 2006 **BA, Anthropology**
University of South Carolina, Columbia, SC
Thesis: *Kibbeh and Collards: Lebanese Immigrant Identity in South Carolina Before and After 9/11*
- 2003 **AAS, Culinary Arts**
Johnson and Wales University, Charleston, SC

Teaching and Research Positions

- 2019-Present **Research Assistant Professor**, Department of Health Promotion, Education, and Behavior
Arnold School of Public Health
University of South Carolina- Columbia, SC
- 2018-2019 **Research Associate**, Department of Health Promotion, Education and Behavior
Arnold School of Public Health
University of South Carolina- Columbia, SC
- 2016-2018 **Postdoctoral Fellow**, Center for Research in Nutrition and Health Disparities
Arnold School of Public Health
University of South Carolina- Columbia, SC
- 2012-Present **Adjunct Instructor**, Department of Anthropology
University of South Carolina-Columbia, SC
- 2015-Present **Instructor**, Department of Health Promotion, Education, and Behavior
University of South Carolina- Columbia, SC
- 2011-2012 **Instructor**, Department of Sociology

University of South Carolina- Aiken, SC

- 2009- 2014 **Adjunct Instructor**, Department of Social and Behavioral Sciences,
Midlands Technical College- Columbia, SC
- 2014-2015 **Teaching Assistant**, Department of Health Promotion, Education, and Behavior
Arnold School of Public Health, University of South Carolina- Columbia, SC
- 2007-2009 **Teaching Assistant**, Department of Anthropology
University of South Carolina-Columbia, SC

Courses Taught

Instructor

PUBH 726: Qualitative Methods for Public Health Practice

HPEB 560: Cooking Up a Storm: Food, Globalization, Localization, and Health in the South

HPEB 752: Public Health Nutrition

HPEB 502-online: Applied Aspects of Human Nutrition

SCHC 402: Food, Sustainability, and Health in the U.S. and Netherlands- study abroad

ANTH 102: Understanding Other Cultures

AANP 101: Primates, People, and Prehistory

ANT 202: Introduction to Cultural Anthropology

ANT 201: General Anthropology

Teaching Assistant

HPEB 715: Qualitative Research Methods in Public Health

ANTH 238: Middle Eastern Cultures

ANTH 237: Cultures of Islam

ANTH 102: Understanding Other Cultures

Peer-reviewed Publications

13. Liese AD, Martini L, Draper C, Burke M, **Younginer N**, Probst J, Blake C, Freedman D, Bell B, Jones S. Recruitment Strategies and Participation in a Case Control Study on Childhood Hunger. Annual Meeting of the American College of Epidemiology, 2013.

Invited Presentations

1. **Younginer, NA**. The Roots of Perspective in the American Context: News Media Discourse and Stakeholder Perspectives About the Supplemental Nutrition Assistance Program. Qualitative methods in public health, HPEB 715. September, 2016, 2017.

2. **Younginer, NA**. Qualitative fieldwork Methods: Lessons from the Field. Qualitative methods in public health, HPEB 715. November, 2015

2. **Younginer, NA**. Food Policy, Programs, and Hunger. Personal and Community Health, HPEB 321. University of South Carolina Honors College. October, 2014.

3. **Younginer NA**. Context Shaping Meaning in Experiences of Household Food Insecurity. Qualitative Methods in Public Health, HPEB 715. University of South Carolina. September, 2014.

4. **Younginer, N**. Three Women with Video Cameras: Insiders' Perspectives on Food Insecurity. The SC

Videovoice Project. SOWK 560. University of South Carolina. February, 2014.

Grant Activity

1. Equity-Focused Policy Research: Building Evidence on Nutrition Supports for Low-Income Families with Young Children

Organization: Robert Wood Johnson Foundation

Amount requested: \$250,000

Period: 2 years

Title: Informing Inclusive Transportation Systems to Lessen Nutrition Support Disparities for Families with Young Children

Role: Co-Principal Investigator

Award status: Not awarded

2. Cultural Anthropology Program- Doctoral Dissertation Research Improvement Grant

Organization: National Science Foundation

Amount requested: \$28,000

Period: 1 year

Title: Investigating Perspectives of the SNAP Program and Participants Through the Use of Media Narratives

Role: Co-Principal Investigator

Award status: Not awarded

3. Doctoral Dissertation Research Grant Program

Organization: RIDGE Center for Targeted

Studies Amount requested: \$17,500

Period: 1 year

Title: Investigating Perspectives of the SNAP Program and Participants Through the Use of Media Narratives

Role: Co-Principal Investigator

Award status: Not awarded

Research and Evaluation Experience

2015- present Title: South Carolina SNAP-Ed Program Evaluation

Funding Source: USDA, Food and Nutrition Service

Role: Co-Investigator. Participate in instrument development, data collection, data analysis, and report writing. Manage qualitative data and analysis processes across four State Implementing Agencies.

Project: Assess the South Carolina SNAP-Ed program's capacity to implement required federal changes to the program that focus on policy, system, and environmental initiatives. Evaluation includes in-depth interviews, focus groups, and environmental assessments with program stakeholders, administrators, sites and participants across South Carolina.

2017- 2019 Title: South Carolina Community Loan Fund Evaluation

Funding Source: South Carolina Community Loan Fund

Role: Evaluator Developing interview guides that capture the health and economic impacts of funded projects. Conducting key informant interviews with loan recipients and other stakeholders who are either involved in or benefited by the project, and collecting photographic evidence of project implementation. Conducting key informant interviews with 14 past participants of the Feeding Innovation program. Analyzing interview data and writing impact report.

Project: Showcase the economic and health impacts that each Blue Cross Blue Shield HFFI Loan project has had in its community.

2013-2015 Title: Snacking in Young Children: Parental Definitions, Goals, and Feeding Practices.

Funding Source: National Institutes of Health’s National Institute of Child Health and Human Development.

Role: Qualitative Data Manager. Managed qualitative interview data and quantitative card sort data for 60 participants across two sites. Analyzed qualitative interview data using Nvivo 10 qualitative analysis software and participated in regular research meetings to develop findings, presentations, and manuscripts.

Project: Conduct interviews and card sorting procedures with caregiver’s of young children regarding their perspectives of the concept and practices of snacks for their children.

2013- 2014 Title: “How Can South Carolina Communities Eliminate Child Hunger: An Insider’s View”.

Funding Source: Initiative for South Carolina’s Future’s University-Community Initiative Research Award

Project: Cultivate advocacy, awareness, and community change of household experiences of food insecurity and hunger in South Carolina using videovoice methodology with four households in South Carolina.

Role: One of two field researchers who conducted initial interviews with project participants and facilitated discussions and reflexive video viewing with participants. Performed collaborative video editing with participants to create film stories of their experiences to show n community meetings and forums. 8

2012-2013 Title: “How can communities and households protect children from very low foodinsecurity?”

Funding source: US Department of Agriculture Food and Nutrition Service/University of Kentucky Poverty Research Center

Role: Field researcher. One of four field researchers who conducted interviews with project participants. Personally conducted over 100 interviews of the total project sample of 551 across South Carolina. Participated in investigator meetings to develop recommendations, presentations, and manuscripts

Project: Develop recommendations for how communities and households can eliminate child hunger based on interviews with community organizations and households in South Carolina.
