Where in India?

How much will it cost?

- Tuition and other school and university fee for 3 credit hours
- Program fee of \$600 for double occupancy room, includes lodging in a local hotel, breakfast, lunch and dinner on program days, airport transfers from Chennai to Pondicherry
- Airfare and visa fee (visa fee about \$150) are not covered under program fee.
- Please submit documents for visa before April 30 for timely receipt of visa

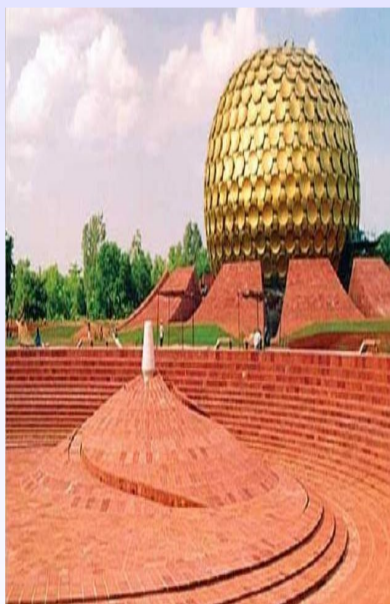

When in Summer?

- We will leave USA on June 25th so that we can start classes in India from June 27th. Will leave India on July 8th
- HSPM 491 or HSPM 791 : India's health system, 3 credit hours
- Sign up for the course through study abroad. Online application system: http://sc.edu/about/offices_and_divisions/studt_abroad/

What is the course about?

- Understanding India's health system
- Implementation of large-scale disease prevention programs
- Comparative health systems of South East Asia
- Cost, quality, efficiency and equity of the Indian health care system

Experience innovative teaching and learning approach

- We will combine classroom teaching with visits to healthcare organizations in Pondicherry
- Visit to Public and Private sector hospitals, Non-governmental organizations and community field visits will be part of the program
