

# CCADMR SEMINAR SERIES

## *How to Write a Data Analysis Section*

Please join us for the next Carolina Center on Alzheimer's Disease and Minority Research (CCADMR) Research Education Seminar. Dr. James Hardin will discuss strategies for writing an informative and compelling data analysis section for grant proposals and manuscripts.

**James Hardin, PhD, Professor and Associate Dean of Faculty Affairs and Curriculum, UofSC**

Dr. Hardin is a professor of biostatistics at UofSC. His research interests include correlated data, limited dependent variables, discrete choice analysis, generalized estimating equations, and complex survey data.

**FRIDAY**  
**January**

**24**

**Time:**

12-1 p.m.

(Lunch will be provided)

**Location:**

University of South Carolina  
Discovery I Building  
915 Greene Street  
Room 331  
Columbia, SC 29208
