

To begin registering for an Opportunity Manager (OM) account, click 'Log In' in the upper right corner of the OM landing page.

NEW AND EXCITING POSTINGS

Arnold School students should log in with your USC account information (*used for Blackboard, email, and other University services*). Your username is the first part of your email address. (For example, if your email address is `jsmith@email.sc.edu`, your username is `jsmith`.)

Once logged in, select 'Edit Profile' from the dropdown menu on your USC username.

NEW AND EXCITING POSTINGS

The 'Account Settings,' 'Profile,' and 'Opportunity Manager' tabs must be completed to finish OM registration. A red tab means the account is not complete.

Alert!
We need some additional information. Please update your [profile](#) to continue using the Virtual Campus or Opportunity Manager!

Please complete all highlighted tabs, sections, and fields. All fields will turn BLACK when completed. Need help? Email mysph@mailbox.sc.edu
