COMMUNICATION SCIENCES
AND DISORDERS

U.S.C. PRAXIS PREP WORKSHOP FOR
SPEECH-LANGUAGE PATHOLOGY
SELF STUDY

This a recorded self-study activity offered in DVD format to assist with test preparation for the NEW (5331) Praxis exam for speech-language pathology through distance learning. This workshop self-study is offered by the Department of Communication Sciences and Disorders at the University of South Carolina.

NOTE: *This DVD and workshop materials are the intellectual property of the University and the Department of Communication Sciences and Disorders and may NOT be duplicated or shared without the written consent of the University of South Carolina and the Department of Communication Sciences and Disorders.*

PRAXIS Self-Study Workshop Sequence:

- ◆ Workshop overview of the NEW (5331) computer-based PRAXIS exam format
- ◆ Revised Scoring and Pass Requirements for Certification
- ◆ Test-Taking Strategies
- ◆ Case Studies / Response Review
- ◆ Practice Questions / Response Review
- ◆ Content review

Learning Outcomes

1. Participants will identify and use test-taking strategies to increase critical reading skills and improve timing/pacing of the NEW (5331) Praxis exam.
2. Participants will utilize test-taking strategies to complete content-specific questioning based on individual case studies.
3. Participants will demonstrate understanding of the NEW (5331) computer-based Praxis exam format.
4. Participants will demonstrate use of critical thinking, higher-order thinking skills and test-taking strategies in practice activities.

Test Prep and Pre-Professional Education

This workshop was designed as a test preparation resource for individuals who have not yet passed the Praxis or obtained the ASHA CCC. Therefore, this workshop is NOT offered as an ASHA continuing education event.

A certificate of completion will be provided as verification of participation after all required documentation is returned.

ABOUT THE INSTRUCTOR

Dr. Beth Barnes received her Ph.D. and master's degrees from the University of South Carolina and undergraduate degree from Furman University. Dr. Barnes currently serves on faculty at the University of South Carolina and previously at N. C. State University. She has specific experience in rehabilitation following stroke and TBI, developmental disabilities and in public school populations. Dr. Beth Barnes has publications in the *Journal of Speech, Language, and Hearing Research*, *American Journal on Mental Retardation*, and the *Journal of Medical Speech-Language Pathology*. She has conducted presentations at state, national and international conferences.

PURPOSE OF WORKSHOP

The primary purpose of this workshop is to equip current graduate students and recent graduates of master's degree training programs in speech-language pathology with the preparation, content synthesis and test-taking strategies for enhanced performance on the NEW (5331) computer-based PRAXIS Examination for Speech-Language Pathology.

WORKSHOP LOCATION

May be viewed ONLY by the registered participant in a location of choice via DVD.

WORKSHOP COMPLETION

Upon completion of the workshop, the following procedures must be followed by all workshop participants:

- ◇ **DVD must be returned right after viewing**
- ◇ **Workshop Evaluation completed & returned**
- ◇ **Assessment of Learning completed & returned**
- ◇ **Post-Test completed & returned**
- ◇ **NOTE: PRINTED PREP MATERIALS ARE TO BE KEPT FOR INDIVIDUAL REVIEW AND REFERENCE.**
- ◇ **A Certificate of participation will be sent electronically after processing is completed at the end of the quarterly self-study offering period.**
