

NSF Biographical Sketch

Wendy E. Raymond, Ph.D.

Professional Preparation

| | | |
|--------------------------|------------------------------------|------------------|
| University of Washington | Genetics | Postdoc, 1990-94 |
| Harvard University | Biochemistry and Molecular Biology | Ph.D., 1990 |
| Cornell University | Chemistry and College Scholar | A.B., 1982 |

Professional Appointments

Williams College

| | |
|--|--------------|
| Professor, Department of Biology | 2008-present |
| Associate Dean for Institutional Diversity | 2007-2010 |
| Associate Professor, Department of Biology | 2001-2008 |
| Assistant Professor, Department of Biology | 1994-2001 |

Publications

Raymond, W. E. and R. A. Lue (2006) Shared Challenges, Shared Solutions: HHMI/NIH symposia aim to help colleges, universities build programs that bring underrepresented minorities into the scientific fold. *The Scientist Supplement*, 38-39.

Raymond, W. E. (2006). Teaching Moments: Last Minute Opportunities. *Genetics Society of America Newsletter* **3** (1), 10.

Fortes, P., Bilbao, D., Fornerod, M., Rigaut, G., Raymond, W., and I.W. Mattaj (1999) Luc7p, a novel yeast U1 snRNP protein with a role in 5' splice recognition. *Genes and Development* **13**: 2425-2438.

Raymond, W. E. and N. Kleckner (1993) RAD50 protein of *S. cerevisiae* exhibits ATP-dependent DNA binding. *Nucleic Acids Research* **21**: 3851-3856.

Raymond, W. E. and N. Kleckner (1993) Expression of the *Saccharomyces cerevisiae* RAD50 gene during meiosis: steady-state transcript levels rise and fall while steady-state protein levels remain constant. *Molecular and General Genetics* **238**: 390-400.

Synergistic activities

Member, Committee on Equal Opportunities in Science and Engineering (CEOSE) 2010-12
Congressionally-mandated advisory committee to the National Science Foundation

Co-organizer, Mellon 23 Workshop on "Broadening Access to STEM fields" 2009
Collaboration with Carleton College and Grinnell College

Co-coordinator of "Claiming Williams" 2008-2010
Campus-wide events throughout the academic year culminating in an annual, one-day formal interruption of classes devoted to examining privilege and building

community

| | |
|---|---------|
| Founder, Liberal Arts College Association for Faculty Inclusion (LACAFI) | 2008 |
| Program Director, Howard Hughes Medical Institute Undergraduate Science Education Program at Williams College | 2004-08 |
