The Student Nutrition Group (SNG) is back and meeting biweekly! The SNG seeks to expose students to a broad range of nutrition topics through professional development opportunities, speaker series, service opportunities, and chances to network with peers and professionals. Whether you are just looking to learn more about nutrition or planning on pursuing a career in nutrition, the SNG would love to have you. Join the GroupMe link below and email SOSNG@mailbox.sc.edu with any questions.
Interested in becoming a student affiliate of the Nutrition Consortium? If you are involved in nutrition-related research, practice, or teaching, you are eligible to apply! Click the link below to find out more information and apply today.

**Important Nutrition-Related Updates & Events from Professional Organizations**

Access to fresh fruits and vegetables is disproportionate in rural communities across South Carolina, where residents are subject to lower wages, fewer healthcare options, and barriers to transportation. [FoodShare](#) partners with community-led organizations who help reduce financial and accessibility barriers by distributing Fresh Food Boxes. By making a financial gift to FoodShare we can continue to positively impact health outcomes across the city and state.

The 8th annual Agriculture, Nutrition & Health Academy Week will take place from **June 19-30, 2023**, online and in Lilongwe, Malawi. The program will feature online Learning Labs followed by a full hybrid conference in Lilongwe. See more information below.
Following three years of virtual meetings, NUTRITION 2023 will offer an opportunity for nutrition scientists, clinicians, policy experts, industry leaders, and more to break away from their screens and to gather, network, and share knowledge face-to-face. The event for the latest in nutrition research will take place **July 22 – 25, 2023** in Boston, MA.

*The Call for Abstracts is now open!* Abstracts are due **March 1, 2023**. For more information, follow the link below.
