About us: A Child’s Haven (ACH) is a 501(c)(3) nonprofit organization who operates a Therapeutic Child Care Center (TCC.) TCC is a child-focused, family-centered intervention which targets the relationship between the child and the parent (or primary care giver.) Grounded in attachment theory, services are relationship-based, developmentally appropriate, and trauma informed. Young children receive individual & group therapy, caregivers receive parent education and family therapy, to include home visitation. We’re dedicated to transforming the lives of young children who have experienced developmental delays or behavioral challenges. Many are victims of poverty, child abuse or domestic violence.

POSITION SUMMARY:

The Child & Family Therapist (CFT) is responsible for providing, documenting and billing for treatment services for children and families enrolled in the TCC program and serves as families’ primary contact to the agency. CFT’s are expected to administer, document and bill for the following core services: in-home Family Therapy and on-campus Individual Therapy to children throughout program enrollment. Other important responsibilities include Diagnostic Assessments, Individual Plan of Care (IPOC) development and management, Medicaid Authorizations and re-authorizations, Medicaid billing, Clinical assessments, treatment planning activities and case management. CFTs are expected to provide services in compliance with A Child’s Haven (ACH) Policies, SCDHHS-Rehabilitative Behavioral Health Services Policies, DSS Child Care Regulations, CARF and any other regulating bodies. Demonstrates a thorough understanding of treatment with children ages 5 and under, and related eligibility and revenue requirements associated with Medicaid and other funding sources.

ESSENTIAL JOB FUNCTIONS:

- CFT’s are expected to manage a caseload of 12 families and deliver, document and bill for a minimum total of 4 core services to each family per month. Core services are in-home Family Therapy and on-campus Individual Therapy to children; 2 minimum Family Therapy is required per month per client.
- Develops and executes Individualized Plans of Care (IPOC) according to SCDHHS and ACH standards, in collaboration with parents/caregivers, TCC Group Treatment providers, and any external other service providers.
- Develops IPOC individual treatment goals and objectives inclusive of social, emotional and behavioral development, and in accordance with developmentally appropriate practice, to help guide interventions in TCC, Individual Therapy and Family Therapy services.
- Completes client intake and enrollment documentation according to SCDHHS and ACH standards.
- Ensures compliance in receiving required training hours, be for licensure or ACH policies.
- Ensures fidelity to evidence-based program model adopted by agency
- Completes IPOC reviews, Progress Summary Reviews, Addendums and Reauthorizations according to SCDHHS, and ACH standards.
- Coordinates transition and discharge planning according to ACH policy and procedures; complies with SCDHHS requirements
- Provide individual and family therapy, therapeutic intervention, and teaches behavior management
skills and positive parenting techniques.

- Parent groups, as needed, or defined by curricula.
- Prepares and participates in Service Plan Delivery (SPD) meetings, called Treatment Team Meetings where progress of families is discussed as a team.
- Manages and coordinates the individual treatment needs of the children and families on your caseload with classroom staff.
- Manages and maintains licensure and clinical supervision requirements.
- Meets program due dates and accurate timely submissions of all documentation: clinical services notes, IPOCs, Reviews, client contacts, referrals, expense reports.
- Submit well-written objective documentation of clinical intervention and observations in accordance to SCDHHS, and ACH standards within required time frames.
- Protects child and family rights to privacy and confidentiality, especially in relation to the communication of information with third parties.
- Understands Medicaid and grant program requirements for the provision of services and meets the standards set for units of service delivered and number of participants served.
- Other duties as assigned.

TECHNOLOGY/COMPUTER SKILLS:

- Experience working in various computer databases.
- Experience managing Electronic Medical Systems.
- Computer Skills – Microsoft office and ability to learn other programs.

LANGUAGE REQUIREMENT:

- Bilingual English and Spanish is desired, but not required.
