Carolina Behavior & Beyond Early Intervention: Where your journey becomes ours

Our mission is to treat each family we serve as our own. Many of our early interventionists have family members with special needs. We believe this makes us more sensitive to the challenges our families face and better equipped to travel this journey with them.

Position: Early Interventionist, full-time

Competitive salaries, mileage reimbursement and benefits.

Location: Lexington and Richland counties

Qualifications:
- Completion of a related degree required for employment, such as Early Childhood, Special Ed, Social Work, Psychology, Child/Human Development, Speech & Language
- Previous experience working with children ages birth to three in a professional setting
- Hands on experience working with children with special needs preferred
- Thorough understanding of the various stages of child development
- Reliable form of transportation as driving is a large part of this career
- Well organized, good time management, able to work well independently
