Job Title: Licensed Clinical Social Worker (LISW)

Employer: Midlands Neurology & Pain Associates, P.A.

Location: Columbia, South Carolina

Contact: Angela Black, CPCO; Operations; 803-788-0038, Ext. 128; info@midlandsneurologyandpain.com

Our ideal candidate should have experience dealing with behavioral issues, chronic pain issues, addiction issues, and interfacing with patients. Responsibilities include conducting individual therapy sessions, group therapy sessions, diagnostic assessments, charting, and treatment planning.

Requirements:
• Active LISW license
• Ph.D. preferred but not required.
• Ability to build and maintain working relationships.
• Excellent listening and communication skills.

Responsibilities
• Assessments, counseling, intervention and crisis
• Assess patient needs, desires and limitations to develop treatment plans and set goals.
• Monitor patient progress and modify treatment plans based on data.
• Document and maintain records on patient progress for reference.
• Follow up with clients to ensure their situation has improved.
