Treatment Coordinator
Therapeutic Foster Care/Community-Based Services
Murrells Inlet, SC (Myrtle Beach Region)

South Carolina Youth Advocate Program (SCYAP) is seeking an energetic, self-motivated, individual to work with children with special needs and their families. This position represents a key element in a child’s life in coordinating needed mental health, vocational, physical therapy, and other community-based services to help children in foster care reach their maximum potential. Interested individuals should have strengths in providing and documenting clinical services, working with other child welfare professionals, accessing community resources, advocating for children, and providing oral and written reports. Position will require travel in Horry and surrounding counties and will be based in the Myrtle Beach Regional Office located in Murrells Inlet, S.C. SCYAP offers competitive pay and an excellent benefit package.

Inquiries and resumes can be sent to Angel Roddy aroddy@acyap.com. Please put position title in the subject line. No phone calls please.

Position Requirements

- Professional licensure as an LPC, LMSW, LISW, or LMFT preferred; at the minimum, bachelor’s degree with at least two years’ experience working in the area of child welfare, juvenile justice, and/or trauma treatment
- Desire to work in fast-paced office and community environment with a team of professionals, as well as with children and families
- Positive attitude and dedication to working with at-risk population
- Excellent clinical judgment with willingness and desire to work collaboratively with treatment team
- High energy, motivated individuals with strong work ethic and ability to work independently
- Excellent oral and written communication skills
