The William J. McCord Adolescent Treatment Facility in Orangeburg, SC has a position available for a social worker. We are a private, non-profit 501©3 facility operating a 15-bed co-ed psychiatric hospital for adolescents with substance use disorders. In operation since 1993, we have treated thousands of adolescents and families around South Carolina. For more info on our facility, visit [www.tccada.com](http://www.tccada.com).

**Social Worker**

- Provides full spectrum of clinical duties (assessment, treatment planning, individual/group/family counseling, care coordination and discharge planning) in our adolescent inpatient program.
- Works within a multi-disciplinary team of physicians, nurses, counselors and recreation therapists.
- Excellent work environment with a team that truly cares about adolescents and families.
- Candidates must possess a graduate degree in social work, have a valid social work license in South Carolina or be eligible within six months of hire. Salary dependent on qualifications and experience. Full state of South Carolina benefits plus licensure and continuing education paid for. Equal Opportunity Employer.
