---

1 Numbers refer to the CSWE’s 2008 Educational Policy and Accreditation Standards (EPAS) Core Competencies
Goal 3

The program produces Master’s-level social workers whose professional judgment demonstrates an understanding that person-in-environment perspective requires a critical analysis of practice contexts and research findings.

- Learning Outcome 7: Apply critical thinking to inform and communicate professional judgments (2.1.3)
- Learning Outcome 8: Engage in research-informed practice and practice-informed research (2.1.6)
- Learning Outcome 9: Apply knowledge of HBSE (2.1.7)
- Learning Outcome 10: Respond to contexts that shape practice (2.1.9)

Program Evaluation

The MSW Program routinely collects and evaluates data to monitor progress and achievement of program goals. Students are included in this process through their involvement in surveys for course evaluations, self-assessment of learning outcomes, evaluations of field organizations and field instructors, and others. Students are invited to provide additional feedback through the social work student associations and through student membership on College committees.

DEGREE REQUIREMENTS

Requirements for the MSW degree include the completion of 60 hours for all Full-time and Part-time students and 42 hours for Advanced Standing students, with an GPA of 3.00. All graduate-level studies must be completed in six years.

All work for the Master of Social Work degree must be completed within a six-year period. Other general requirements for the Master of Social Work degree are the same as those established by The Graduate School and in accordance with accreditation standards established by the Council on Social Work Education.

Per the Application for Graduation and Degree Audit policy, at the time of graduation, a student’s cumulative GPA must be at least 3.00. Additionally, the average on all grades recorded on the program of study for courses numbered 700 or above must be at least 3.00. All courses listed on the program of study must be at least 3.00.

Application for Degree

All students enrolled in a Master’s degree program must file the application for degree/graduation available on the website of the Office of the University Registrar with The Graduate School within the first 15 class days of the fall or spring semester in which the degree is to be awarded, or within the first 10 class days of Summer Session if the degree is to be awarded at the end of the summer. See the Application for Graduation and Degree Audit section of the Master’s Degree Requirement Bulletin for additional information.
Credit for Life Experience

In accordance with the mandates of the Council on Social Work Education, no credit is given for life experiences. Students will not receive academic credit for life experience or previous volunteer, service learning activities or assignments, or work experience in social work. Academic credit will not be granted for life experience or previous work experience, and such experience will not be substituted for any of the courses in the professional foundation areas or the field practicum.

Programs of Study

The following are options for completing the MSW Program:
- Full-time program in Columbia
- Advanced Standing program in Columbia
- Part-time program in Columbia, Charleston, and Greenville
- Part-time program in Korea

The following plans of study outline the expected progression through the MSW Program. All policies, course listings, and program information are subject to change as approved by The Graduate School and the University of South Carolina, consistent with accreditation requirements set by the Council on Social Work Education and the Southern Association of Colleges and Schools.

⁴ Students must complete a minimum of one (1) practice elective in all plans of study. Students may take additional practice courses. Approved practice courses are delivered via traditional face-to-face classroom instruction, not online.
Regional Classes

The MSW Program offers classes in Charleston at the Lowcountry Graduate Center (and in Greenville at the University Center of Greenville. Only the part-time program of study is offered in Charleston and Greenville. Any plan of study that deviates from the part-time study plan is the responsibility of the student. The College will not offer exceptions to students who decide to pursue a full-time plan of study while enrolled as a regional student.

Specializations

All students declare one of three specializations. Students must complete SOWK 777, 778, and 779 within the same specialization.

- All full-time and part-time students must complete SOWK 777 during the Spring term.
- All Advanced Standing students must complete SOWK 777 during the Summer term.

Students must complete SOWK 777 before completing SOWK 778 and 779. Students may change their specialization by re-taking SOWK 777 in a DIFFERENT specialization. Students should note that changing specializations may result in delaying graduation.

- If students change their specialization after completing SOWK 777, they must retake SOWK 777 in the newly selected specialization.
  o In this event, the initial course will be counted as an elective.
- If students change their specialization after taking SOWK 777 and 778, they must retake SOWK 777 and 778 in the newly selected specialization.
  o In this event, the initial courses will be counted as electives.

The College of Social Work offers the following three specializations:

- **Children, Youth, and Families**: The Children, Youth, and their Families (CYF) specialization is designed to prepare MSW graduates to engage in competent practice with children, youth, and their families through direct practice, case management, community advocacy, organizational change and policy development.
- **Health and Mental Health**: The Health / Mental Health specialization prepares MSW graduates to become leaders in this new era of health, training students to use evidence-based practices to promote health among individuals, groups, families, organizations, and communities.
- **Community, Social, and Economic Development**: The Community, Social, and Economic Development (CSED) specialization is designed to prepare students for advanced social work practice in multifaceted development activities in the US and abroad.

**Note**: Only the Health and Mental Health specialization is offered in the Part-time program in Columbia, Charleston, Greenville, and Korea.
Certificate Programs

The College of Social Work administers the **Certificate of Graduate Study in Drug and Addiction Studies**. Students may pursue the certificate independently or in conjunction with another graduate course of study. The certificate program provides MSW students with opportunities to develop competencies in preparation for employment in a range of settings addressing alcohol and drug-related problems. For more information, students should contact Rhonda DiNovo at DINOOV@mailbox.sc.edu.

The College of Social Work also administers the **Graduate Certificate for Social and Behavioral Health with Military Members, Veterans and Military Families**. Students may pursue the certificate independently or in conjunction with another graduate course of study. The certificate program provides MSW students with specific knowledge and skills necessary to interact in a military setting and in community settings where the needs of veterans and their families are met. For more information, students should contact Dr. Nicole M. Cavanagh at nickcava@mailbox.sc.edu.

MSW students may enroll in a **Certificate Program in Women’s and Gender Studies**. The program is dedicated to promoting knowledge about women, gender, sexuality, and diversity and features a multidisciplinary faculty, curriculum, and student body, and offers a range of opportunities for interdisciplinary scholarship, professional development, and community involvement. For more information, contact Dr. J. Daniel Jenkins at jenkinsj3@mailbox.sc.edu.

Dual Degree Programs

The College of Social Work participates in the following dual degree programs:

**Master of Social Work / Master of Public Health in Health Services Policy and Management (MSW/MPH)**

**Master of Social Work / Master of Public Health in Health Promotion, Education, and Behavior (MSW/MPH)**

The Master of Social Work / Master of Public Health (MSW/MPH) degree is offered in conjunction with the USC Arnold School of Public Health. Graduates are prepared to improve the physical, psychological, and social health and well-being of the individuals and the communities in which they live by furthering their empowerment, autonomy and self-determination, as well as health-related, economic and social justice, through teaching, research, and service. The MSW degree program provides students with the competencies needed to become advanced practitioners who serve diverse communities. The MSW curriculum provides students with essential knowledge, skills, and values to practice effectively, ethically, and collaboratively to promote social well-being and social justice for vulnerable populations. The requirements for the MSW portion of the dual degree are the same as for the standalone degree program though some courses do fulfill requirements for both degree programs, resulting in fewer semester hours to complete both degrees than if pursued separately. Those seeking the dual MSW/MPH degree must apply to and be accepted for graduate study.
independently by both the College of Social Work and the Arnold School of Public Health.

**Master of Social Work / Master of Public Administration (MSW/MPA)**

The Master of Social Work / Master of Public Administration (MSW/MPA) degree is offered in conjunction with the USC Department of Political Sciences in the College of Arts and Sciences. Graduates are prepared to promote the health and well-being of increasingly diverse and often vulnerable populations across communities, the state, region, and nation by furthering enhanced and effective performance of government agencies, not-for-profit groups and other public affairs organization through teaching, research, and service. The MSW degree program provides students with the competencies needed to become advanced practitioners who serve diverse communities. The MSW curriculum provides students with essential knowledge, skills, and values to practice effectively, ethically, and collaboratively to promote social well-being and social justice for vulnerable populations. The requirements for the MSW portion of the dual degree are the same as for the standalone degree program though some courses do fulfill requirements for both degree programs, resulting in fewer semester hours to complete both degrees than if pursued separately. Those seeking the dual MSW/MPA degree must apply to and be accepted for graduate study independently by the College of Social Work and by the College of Arts and Sciences.

**Master of Social Work / Juris Doctor (MSW/JD)**

The Master of Social Work / Juris Doctor (MSW/JD) degree is offered in conjunction with the USC School of Law. Graduates are prepared to promote a better understanding of and advocacy for the special needs of vulnerable populations within the legal system, across communities, the state, region, and nation by advancing economic and social justice, fighting oppression and discrimination, and furthering the protection and development of all people through teaching, research, and service. The MSW degree program provides students with the competencies needed to become advanced practitioners who serve diverse communities. The MSW curriculum provides students with essential knowledge, skills, and values to practice effectively, ethically, and collaboratively to promote social well-being and social justice for vulnerable populations. The requirements for the MSW portion of the dual degree are the same as for the standalone degree program though some courses do fulfill requirements for both degree programs, resulting in fewer semester hours to complete both degrees than if pursued separately. Those seeking the dual MSW/JD degree must apply to and be accepted for graduate study independently by the College of Social Work and by the School of Law.

Dual degree applicants must submit either GRE scores (for the MSW/MPH and the MSW/MPA) or LSAT scores (for the MSW/JD). Admission to one program does not guarantee admission into another. Dual degree students must complete a separate but complementary program of study with each school/college.

For more information, students should contact Dr. Nicole M. Cavanagh at nickcava@mailbox.sc.edu.
COURSE DESCRIPTIONS

Descriptions for all courses, including credits hours, can be found in the Social Work, MSW Bulletin.

FIELD EDUCATION

The MSW Field Education Program at the College of Social Work at the University of South Carolina is structured according to the mandates of the Council on Social Work Education. The Program is guided by the Educational Policy and Accreditation Standards (EPAS) and the National Association of Social Worker's Code of Ethics. The tenets of these documents are found throughout the MSW curriculum including the MSW Field Education program.

Field education is the signature pedagogy of social work education. The intent of field instruction is to provide students with an opportunity to apply the knowledge, values, and skills learned in the classroom to actual social work practice situations in the field placement.

All MSW students are accountable to all policies, procedures, and practices that govern the MSW Field Education Program that can be found in the MSW Field Education Manual. All students are required to complete the mandatory field orientation to assist with field placement readiness. Students should refer to the MSW Field Education Manual for additional information.

ADVICEMENT

Academic Advisement

All students are assigned two advisors at the beginning of their academic studies: a faculty advisor and an academic advisor.

The role of faculty advisors is to be a resource for students to discuss areas of interest, professional development, career options, and identity as a social worker. International MSW students will be assigned to an academic faculty advisor who is knowledgeable in this area.

The role of academic advisors is to be a resource for students to discuss the plan of study while enrolled in the program, to provide guidance regarding the registration process, and to help troubleshoot administrative problems during their matriculation.

At the end of each semester, academic performance is evaluated and students are informed of academic difficulty and procedures to improve or resolve the situation. Students who are experiencing academic difficulty will be advised of College and Graduate School policies. Students who are identified as experiencing academic or other difficulties may be referred to the MSW Program Coordinator for assessment and may be required to develop a plan for addressing identified difficulties.
Registration for Courses

Prior to registering for courses, students are advised to consult the master schedule for course listings. The social work course designator is SOWK. Sections with a “J” prefix are offered online. Information on Distributed Learning Support Services can be found at www.sc.edu/dl.

Registering for classes is an online process that students complete through Self Service Carolina. Students are encouraged to use the Registration Checklists located on the University Registrar’s webpage to navigate the registration process.

The basic process for course registration is as follows:

- Login to Self Service Carolina.
- Navigate to the Student section, then click on the Registration tab.
- Choose the Schedule Planner option and build your ideal schedule.
- The social work course designator is SOWK.
- Sections coded with a Y prefix are offered in the evening.
- Send your schedule to the Registration Cart and leave it there until your time ticket begins.
- Once your time ticket begins, revisit Schedule Planner, confirm your class selections, and send your final selections to the Registration Cart.
- Choose the Submit option. You will then see a screen that shows which sections you successfully registered in. If you need to select additional classes, revisit Schedule Planner and select the classes you need. Repeat the process above until you finalize your schedule.
- View Student Detail Schedule - As a final step, review your schedule.

Course Loads

A student may enroll for a semester load not to exceed 15 hours (including audits and undergraduate courses). Students requesting an overload exception over 15 hours must submit the required Course Overload Enrollment Authorization (CEO) Form to the Dean of Graduate Studies for approval prior to the beginning of the term for which the exception is requested. Students should consult their academic advisor for assistance. Additional information can be found under the Course Registration section of the Graduate Admissions Bulletin.

Full-time benefits for veterans are determined by the Office of Veterans Services.

ACADEMIC STANDARDS AND POLICIES

A student’s progress is based on nonacademic as well as academic performance. Those nonacademic factors that could result in a student's suspension or dismissal from the College of Social Work, regardless of his/her academic performance, include violation of University regulations as described in the Carolina Community, commission of acts or behaviors that violate the NASW Code of Ethics, commission or conviction of an offense which goes to the issue of moral turpitude, or conviction of a felonious offense.
Students must maintain high standards of moral and ethical behavior that are necessary for their professional practice as a social worker.

The following information highlights some of the key academic standards and policies for MSW students. It should be noted that not all standards and policies are included here. Students are expected to be familiar with the USC Policies and Procedures Manual, the Graduate Admission Bulletin, the Graduate Studies Bulletin, and the Graduate Academic Regulations Bulletin, and the Master’s Degree Requirements Bulletin.

---

**Academic Progression in the College of Social Work**

**Minimum GPA**

Graduate courses may be passed for degree credit with a grade as low as C, but a degree-seeking student must maintain at least a B (3.00 on a 4.00 scale) cumulative grade point average. Academic standards for grade point average (GPA), progression, and suspension can be found in the Graduate Academic Regulations Bulletin.

At the time of graduation, the student’s graduate cumulative grade point average (GPA) must be at least 3.00 (B) on a 4.00 scale. Additionally, the average of all grades recorded on the program of study for 700-level and up courses must be at least 3.00 and all courses listed on the program of study must be at least 3.00.

Students are subject to both College of Social Work and The Graduate School standards and policies.

---

**Class Attendance**

Students are expected to complete all assigned work, to attend all class meetings, and to participate in class. The MSW Program follows the Attendance policy in the Graduate Academic Regulations Bulletin.

A graduate student registered for courses numbered 500-699 is required to satisfy undergraduate attendance regulations and conform to the “10 percent rule.” The Undergraduate Attendance Policy states that absence from more than 10 percent of the scheduled class sessions, whether excused or unexcused, is excessive and the instructor may choose to exact a grade penalty for such absences.

---

**Assignments**

Assignments promote acquisition of the knowledge, skills, and values embedded in the program’s learning outcomes and course objectives. Grades are provided as a basis for evaluating the students’ mastery of course material. A minimum of three graded assignments is required for a three-credit course.
Grading Policies

The MSW Program follows the Grading Policies in the Graduate Academic Regulations Bulletin. Refer to these policies for additional information.

The credit value for each course is usually equal to the number of hours the class meets each week for one term (e.g., three hours/week for a 3-credit course).

- The letter grades of “A”, “B+”, “B”, “C+”, “C”, “D+”, “D” and “F” are employed to designate excellent, good, fair, unacceptable, and failing work, respectively.
  - C is the lowest grade permissible for graduate credit in any course.
- S and U indicate, respectively, satisfactory (passing) and unsatisfactory (failing) performance in courses carried under the Pass-Fail option.
  - Graduate-level courses completed with the grade of U are calculated as an F in the cumulative graduate grade point average.
- I is assigned for Incomplete at the discretion of the instructor when a student is unable to complete some portion of the assigned work in a course because of an extenuating circumstances. Re-enrolling in the course will not make up an Incomplete.
- NR is a temporary mark on the transcript assigned by the Office of the University Registrar if a grade has not been submitted by the instructor at the designated time.

Reporting of Grades

Each syllabus provides the instructor’s expectations including attendance, required assignments and exams and the weight to be accorded to each, and the grading scale. Grading scales may vary across courses and course sections and are established at the discretion of each instructor. Grades are reported to students via Self-Service Carolina.

Auditing a Course

The option of auditing a course in the College of Social Work is available with prior approval of both the Dean of the College and the faculty member involved. University policy on auditing at the graduate level requires that a student be enrolled in at least one course for credit unless permission from the Dean of the Graduate School is given for an audit only. Regularly enrolled students are always given priority over auditors concerning seats in a class. No record of an audit shall appear on a transcript unless the student has attended a minimum of seventy-five percent of all regularly scheduled classes in the course being audited.

Dropping Courses and Withdrawal from Courses

Students who are experiencing academic difficulty and/or personal or family crises that interfere with their successful completion of course work are strongly encouraged to consult with their instructors, the Student Services Program Coordinators, their faculty advisor, and/or the MSW Program Coordinator.
There are multiple ways for students to drop or withdrawal from graduate classes. Each option has separately defined rules for grades and tuition/fees. See the Graduate Academic Regulations Bulletin for additional information for additional information about dropping courses or withdrawing from courses.

Transfer of Course Credit

Course work not part of a completed certificate program or graduate degree from USC or another institution may be transferred for credit toward a Certificate of Graduate Study, a master’s or doctoral degree. Students may request transfer of graduate credits from other CSWE-accredited programs. Transcripts, course descriptions, and syllabi must be submitted to the MSW Program Coordinator for review. Applicants must have earned at least a B in each course for which credit is requested. Transfer credits must be approved by the Graduate School.

The MSW Program follows the Transfer of Course Credit policy in the Graduate Academic Regulations Bulletin.

- No more than 12 semester hours of graduate credit may be transferred into a master’s program that requires 30-36 hours
- No more than 15 semester hours of graduate credit may be transferred into a master’s program that requires 37-45 hours
  - This standard applies to the Advanced Standing option of the MSW Program.
- No more than 18 semester hours of graduate credit may be transferred into a master’s program that requires 46 or more semester hours.
  - This standard applies to the Full-time and Part-time options of the MSW Program.

Only credits with grades of B or better may be transferred from another institution into any graduate degree program. Course work transferred for credit toward a graduate degree must be from an accredited institution and must be no more than six years old at the time of graduation.

Revalidation of Out-of-Date Courses

Students may request revalidation of USC graduate courses over six (6) years old for inclusion on the Master’s program of study. All instructions for revalidation must be followed and the Permit for Revalidation Examination form must be completed and submitted to the dean of The Graduate School for approval prior to revalidation. Proof of payment of revalidation fees must be submitted with the Permit for Revalidation Examination form.

Note: Courses completed at other institutions may not be revalidated.
Academic Suspension – University Graduate School Policy

Graduate degree-seeking students whose cumulative grade point average (GPA) drops below 3.00 (B) will be placed on academic probation by The Graduate School and allowed one calendar year in which to raise the cumulative GPA to at least 3.00. Students who do not reach a cumulative 3.00 grade point average during the probationary period will be suspended from graduate study and will not be permitted to enroll for further graduate course work as a degree or a nondegree student.

See the Academic Suspension Policy and the Reinstatement After Suspension Policy in the Graduate Academic Regulation Bulletin for additional information.

Suspension and Termination

The College of Social Work has a responsibility to ensure that its graduates will be prepared to meet the standards of professional social work practice, including the provision of competent service to client systems at all levels. All students will be provided access to and expected to understand the criteria and procedures for suspension and termination. These criteria and procedures are part of the student review policy located in Appendix A of this manual. Students will be asked to sign an acknowledgment form that will be maintained in their files.

Students also are expected to adhere to the Code of Ethics of the National Association of Social Workers.

### Professional and Academic Responsibility - Student Conduct and Academic Integrity

The [Office of Student Conduct and Academic Integrity](#) empowers students to be responsible citizens and uphold the core values of our academic community.

Students are expected to adhere to the University’s policy on [Student Code of Conduct](#).

- Note that arrests by law enforcement agencies outside of USC’s Division of Law Enforcement and Safety must be reported by the student to the Office of Student Conduct within 72 hours of arrest. Penalties for non-compliance to this mandate may include suspension or termination from the MSW Program and/or University.

Students are expected to adhere to the University’s policy on [Academic Responsibility - The Honor Code](#).

Every student has a role in maintaining the academic reputation of the university. It is imperative that you refrain from engaging in plagiarism, cheating, falsifying your work and/or assisting other students in violating the Honor Code.

Two important components of the Honor Code:

- Faculty members are required to report potential violations of the Honor Code to the Office of Student Conduct and Academic Integrity.
- When a student is uncertain as to whether conduct would violate the Honor Code, it is their responsibility to seek clarification from the appropriate faculty member.

The [Carolinian Creed](#) is a complement to the University’s conduct code and emphasizes openness and civility.

**As a Carolinian...**

- I will practice personal and academic integrity;
- I will respect the dignity of all persons;
- I will respect the rights and property of others;
- I will discourage bigotry, while striving to learn from differences in people, ideas and opinions;
- I will demonstrate concern for others, their feelings, and their need for conditions which support their work and development.

APPENDIX

A: Student Review Policy and Form

B. Grievances, Petitions, and Appeals
APPENDIX A: Student Review Policy and Form
Student Review Policy

All COSW students are required to abide by the NASW Code of Ethics (http://www.socialworkers.org/pubs/Code/code.asp), and the rules for academic and behavioral conduct established by the University of South Carolina (for undergraduate academic rules and regulations: http://bulletin.sc.edu/content.php?catoid=52&navoid=1280; for graduate school academic rules and regulations: http://gradschool.sc.edu/students/asa.asp?page=acad&sub=asa; for USC’s Student Code of Conduct: http://www.sc.edu/policies/ppm/staf626.pdf). Violations of these requirements may result in a review process, leading to possible sanctions including suspension or termination. Procedures for student review are described below.

Student Review Procedures

Efforts to remediate. When a faculty member, instructor, or staff person identifies a concern related to a student’s behavior, they shall first try to address that concern with the student directly and explore ways to resolve the problem. If the problem is not successfully resolved, the faculty member, instructor, or staff person may request that the appropriate Program Coordinator (BSW, MSW, or PhD) or the Director of Field Education (if the problem is occurring in field) become involved. This involvement might include but is not limited to: meeting with the student, facilitating discussion between student and referring faculty/staff member, engaging the student’s advisor, and referring the student to academic support, mental health, or other services. Program Coordinators and the Director of Field Education will document their involvement and the outcome of that involvement, and this documentation will be maintained in the student’s official file.

When remediation is not adequate. When a student’s behavioral problems do not respond to remediation, or they are serious enough that efforts at remediation are not determined to be appropriate by the faculty/staff member, the student will be referred for review to the University’s Office of Student Conduct and/or to the appropriate program committee within the College of Social Work (BSW, MSW, or PhD).

1. COSW Program Committee Review. Referrals for Program Committee review must be made in writing, to the appropriate Program Coordinator. The Program Coordinator will send written notification to the student, the student’s faculty advisor, the Associate Dean for Academic and Student Affairs, the Student Services Coordinator and/or the academic advisor, and other relevant parties within five academic class days.

Within 5 academic class days of such notification, the chair will assign at least 3 members of the Program Committee who will hold a meeting with the student, the student’s advisor, and other relevant parties. The student may invite the Student Ombudsperson to be present at this meeting. If the student chooses to invite others who are not University personnel, the student will be required to sign an Authorization for Release of Education Records and Information form. Signed forms will be maintained in the student’s official file. (See the attached form for additional information.)

In the event of a conflict of interest, or perceived conflict of interest, members of the Program Committee may recuse themselves. If recusals result in a Committee having fewer than 3 members, additional ad hoc members will be appointed by the Program Coordinator.
At the review meeting, Committee members consider any evidence provided by the referring faculty/staff member or by the student, and will ask questions and give the student the opportunity to share any information or perspective they would like. Following the meeting, the Committee will deliberate based on all the information and determine the course of action, which may include (but is not limited to) these options:

a. *Let the student continue in the program with no conditions.* In these situations, the concern has either been determined to be unfounded, or to have been addressed such that no further action by the student or program is required.

b. *Establish formal conditions for the student continuing in the program.* In these situations, specific conditions must be met in order for the student to remain enrolled in the program. The disposition must include specific actions requested of the student and a timeline for these actions to be taken. Actions may include the student participating in mentoring; the student writing an essay or otherwise demonstrating increased awareness of the consequences of their actions; placing the student on probation and monitoring the student during the probationary period; referring the student to counseling and/or advising services. A failure to meet any of the requirements of the plan of remediation may result in the student’s termination from the program.

c. *Consult with and/or refer to University officials.* In some instances, depending on the nature of the problem, the University's VP for Student Affairs, the USC Office of General Counsel, or the Division of Law Enforcement and Safety may be notified or consulted. Situations that may result in notification or consultation include, but are not limited to, scholastic dishonesty, racial or sexual harassment, possession or use of firearms or other weapons on University property, damage, destruction, or misuse of University property, and conduct that endangers the health or safety of any University student, employee, or campus visitor.

d. *Suspend the student from the program.* When the student is suspended from the program, the student will be provided with documentation regarding the specific reasons for suspension and the conditions under which the student may be reinstated.

e. *Terminate the student from the program.* When the student is terminated from the program, the student will be provided with documentation regarding the specific reasons for his/her dismissal.

Upon completion of a Program Committee review, the Program Coordinator will inform the Associate Dean for Academic and Student Affairs of the Committee’s disposition. The Associate Dean for Academic and Student Affairs will then inform the student in writing within two academic class days of the meeting. The final disposition will be documented in the student’s official file.

2. **Appeal Process.** Students may appeal Program Committee review decisions to the Associate Dean for Academic and Student Affairs of the College of Social Work within 5 academic class days of receipt of the decision. The Associate Dean for Academic and Student Affairs shall issue a written decision within 10 academic class days of receipt of the appeal. This decision may then be appealed to the Dean of the College of Social Work within 5 academic class days of receipt of
the decision. The Dean shall issue a written decision within 10 academic class days of receipt of
the appeal. Right to any further appeal, if any, shall be determined by applicable University
policies and procedures. To the extent consistent with university policies and legal requirements,
if a student is suspended or terminated from the program and appeals that decision, the student
is allowed to continue in the program until the appeal is concluded.

All information disclosed during any of these stages of remediation and will be kept confidential unless
other relevant parties need to be notified based on their role within the educational context, or there is a
legal requirement to report. Review processes with the College of Social Work do not supersede any of
the University’s policies and procedures related to both academic and behavioral issues.

APPENDIX B: Grievances, Petitions, and Appeals
Grievances, Petitions, and Appeals – College of Social Work

There are times when a student may believe that a decision regarding his or her status as a student needs to be reconsidered. Students have a right to seek reconsideration. The procedures for the request vary depending on the nature of the concern.

**Grade in a course or assessment of performance.** If a student disagrees with the mark, grade, or assessment placed on his/her work, the student should discuss the matter with the instructor who assigned the grade. Final authority regarding assignment of the grade shall remain with the instructor. If a committee assigns the mark, grade, or assessment, the student should meet first with the chair of the committee. Final authority regarding assignment of the grade shall remain with the committee.

**Unfair treatment.** If a student is concerned that he or she has been treated unfairly, the student should seek the advice of the College of Social Work Ombudsperson, who can advise about the course of action to take. Options include the following:

- **Concern about discrimination or harassment (when academic or nonacademic in the university context):** If the student believes that he or she has been treated unfairly in the basis of age, race, color, sex, religion, national origin, disability status, veteran status, or sexual orientation, or has been sexually harassed, then the student shall seek assistance from the USC Office of Equal Opportunity Programs (http://www.sc.edu/eop/). Equal opportunity complaint processing policy is at: http://www.sc.edu/policies/eop101.htm.
- **Concern about responsible teaching:** If the student believes the instructor has violated Teaching Responsibilities (contained in the Faculty Manual) or USC policies on Freedom of Expression or Protection Against Improper Disclosure (as stated in the Carolina Community), then the student may file a grievance with the COSW Grievance and Appeals Committee. Steps in the Grievance Procedure are below.
- **Concern about unjust or inequitable treatment that is not based in discrimination or treatment that creates unnecessary hardship:** The student may file a grievance with the COSW Grievance and Appeals Committee if the student believes she or he has been treated unjustly or inequitably for reasons other than discrimination or has been required to face unnecessary hardship. Such grievances include, but are not limited to, such problems as: mistreatment by any University employee, wrongful assessment and processing of fees, records and registration errors, or violations of the stated college policies. The concern may be academic or nonacademic. Steps in the Grievance Procedure are below.

**Petition for special exception.** If a student seeks an exception to standard rules and policies, the appeal should be made to the Director/Coordinator of the program (BSW/Undergraduate, MSW, PhD, or Certificate). The Director/Coordinator may make a decision regarding typical requests or may bring the matter to the Program Committee. All decisions regarding exceptions, whether director or committee makes the decision, will be documented. Final authority regarding exceptions to the rules and policies shall remain with the Program Committee. Students should plan ahead and allow adequate time (at least two weeks) for the committee to consider the case and gather essential information before a decision can be made.

**College of Social Work Grievance Procedure.** Students who seek to file a grievance should attend to the following procedures.

**Responsible Parties:**

- The College of Social Work Ombudsperson will advise the student about the grievance or petition procedure. The student also may seek assistance from the USC Ombudsman. In cases
of alleged discrimination or harassment, the student may seek assistance from the USC Office of Equal Opportunity Programs (http://www.sc.edu/eop).

▪ The COSW Ombudsperson will notify the COSW Office of Academic and Student Affairs (Associate Dean) when a student has made a request. The COSW Ombudsperson is elected by the faculty to a two-year term.

▪ The **College of Social Work Grievance Committee** will be comprised of a core committee to hear all grievances from students. Additional program representatives serve on the Grievance Committee as members only for cases involving the program they represent. Thus the committee includes the following:
  o Core members (three faculty, elected by faculty for two-year terms);
  o Program representative members from the PhD program (one student elected by students; one faculty member from the PhD Program Committee, elected by the PhD Program Committee);
  o Program representative members from the MSW program (one student elected by students; one faculty member from the MSW Program Committee, elected by the MSW Program Committee); these representatives will hear matters pertaining to the MSW Or certificate programs;
  o Program representative members from the BSW/undergraduate program (one student elected by students; one faculty member from the BSW Program Committee, elected by the BSW Program Committee); these representatives will hear matters pertaining to the BSW or undergraduate programs.

Substitute members may be appointed by the dean on an ad hoc, time-limited basis to participate on the Grievance Committee when a regularly elected member cannot participate for reasons of conflict of interest or leave. The substitute must represent the same group (faculty, program, student) as the regular member.

**Faculty adviser:** The student may have a faculty adviser present during any grievance procedure and one other person of the student’s choosing. However, the adviser and the other person are not permitted to participate directly in the grievance process, or to speak for the student.

**Course of Action:**

A student who wishes to bring a grievance within the College of Social Work should take this course of action.

1. The student should discuss the matter and seek resolution with the faculty member or other person alleged to have caused the grievance. This should occur within ten working days of the date when the situation occurred that precipitated the grievance.
2. If no satisfactory resolution is achieved, the student should contact the Program Director of the academic program in which the student is enrolled (BSW-Undergraduate, MSW-Certificate, PhD). This should occur within five working days after discussion with the faculty member or other person alleged to have caused the grievance.
3. If no satisfactory resolution is achieved, the student should contact the COSW Ombudsperson. This should occur within five working days after discussion with the Program Director.
4. If the Ombudsperson advises the student to file a grievance with the COSW Grievance Committee, within five days of the Ombudsperson’s recommendation, the student should file a written request for a grievance hearing. The request is submitted to the Office of the Associate Dean for Academic Affairs, who notifies the chair of the Grievance Committee.
5. The student bringing the grievance will have the opportunity to present to the COSW Grievance Committee either in writing or in person any and all evidence pertaining to the grievance.
6. The student should be aware:
a. Within ten working days of receiving the request for a hearing, the Grievance Committee will have a preliminary discussion of the case and will schedule a hearing. The Committee will notify all persons who may be a party to the grievance.

b. Those persons who disagree with the claims of the grievance or have additional information will have the opportunity to present to the COSW Grievance Committee either in writing or in person and all evidence pertaining to the grievance.

c. All parties to the grievance have a right to see all evidence pertaining to the grievance.

d. If evidence is presented in person, the committee will have the opportunity to ask questions for points of clarification.

e. The Committee will ask all parties to the grievance to leave the room so that committee members only can deliberate the case.

f. The Committee may make the following determinations:
   i. There is no cause for grievance, the meeting is over, and the parties are dismissed.
   ii. There is cause for a grievance and a reasonable and fair solution to all parties will be decided. All parties will be brought back to the meeting to hear the resolution. All parties are bound by the committee’s decisions unless any party decides to appeal the grievance further.

   • A student may appeal to the USC Ombudsman.

g. The committee will make a written record of the findings and resolutions and submit a copy to all concerned parties and the Associate Dean for Academic Affairs.
